

Washington Dental Service

Proving that Consumers Still Like Options

The choice is simple.

Washington Dental Service is proud to offer SimpleChoice®, a uniquely flexible plan that allows businesses with five to 99 employees to tailor coverage for their benefit and budget needs.

- Washington Dental Service provides comprehensive, yet affordable, benefits for groups sized five – 99.
- Subscribers can predict their out-of-pocket costs when going to a SimpleChoice network dentist.
- Employers can choose to buy-up for more coverage, or reduce benefits to lower costs.

BONUS: Employees select a SimpleChoice dentist for greater cost-savings, but have the option to choose a dentist from outside the SimpleChoice dentist network.
