

Washington Dental Service is now ***IN THE GAME!***

Washington Dental Service, the dental benefits company for almost two million patients, now offers **immediate, convenient access to patient eligibility and benefits information** via most practice management systems (PMS). Put on your WDS team jersey and keep cool while accessing WDS patient benefit information through your PMS. Score a *touchdown* by saving time and maximizing efficiency.

 **DELTA DENTAL®**
Washington Dental Service

Washington Dental Service is a member of the Delta Dental Plans Association

Some of you may already use your PMS systems to access eligibility and benefits but for those of you who don't, **GET IN THE GAME!** If you use one of the following PMS systems a call to your vendor may be all it takes to get you in the game.

DENTRIX • DSN Software • EagleSoft • Easy Dental • OCS Dental • OrthoTrac • PracticeWorks • SoftDent • WinOMS CS
