For claims requiring attachments, Washington Dental Service accepts electronic attachments through FastAttach, offered by National Electronic Attachments (NEA). This means you can submit scanned x-rays, intra-oral photographs, periodontal charts and more when providing supporting clinical documentation for electronic claims. Using electronic attachments can not only accelerate claim processing, but will also eliminate the need and cost to duplicate and mail x-rays and other necessary attachments.

Here's what you will need to utilize FastAttach:

- Pentium processor computer or equivalent
- Monitor with video card capable of 24-bit color
- An Internet service provider
- Windows 98, Windows NT 4.0 or higher
- Microsoft Internet Explorer 4.0 or higher
- A way to digitize your attachments (a scanner or digital x-ray system)

For more information about NEA FastAttach, please go to www.nea-fast.com or call 1-800-782-5150.
