ACCESSING CARE

How to use your Delta Dental Premier Incentive program

You may select any licensed dentist under this plan. You can find a participating Premier dentist in your area by visiting the Washington Dental Service Web site at

www.deltadentalwa.com/boeing. **Be sure to select the Delta Dental Premier plan and follow the prompts.**

Delta Dental Premier Dentists

If your dentist is a Delta Dental participating dentist, he or she will submit your claims directly to Washington Dental Service. Payment will be based on the approved fees your dentist has on file with us. ***You are responsible only for your stated deductibles, copayments and/or amounts in excess of the program maximums.***

Nonparticipating dentists

If you choose a nonparticipating dentist, you will be responsible for having the dentist complete and sign claim forms. It will also be up to you to ensure that the claims are sent to Washington Dental Service. Claim payments will be based on actual charges or Washington Dental Service's maximum allowable fees for nonparticipating dentists, whichever is less. ***You will be responsible for any balance remaining.***

Explanation of Incentive program

The Delta Dental Premier Incentive program is designed to promote regular dental care by increasing from one benefit period to the next the amount paid for preventive care and regular visits. During the first benefit period, the payment level for covered and allowable Class I and Class II benefits will be 70 percent. This payment level increases by 10 percent — up to a maximum of 90 percent — each successive benefit period in which benefits are used at least once by the eligible person(s). If the once-a-year visit is missed, the payment level will be decreased by 10 percent for each period during which benefits are not used. In no event will the payment level be less than 70 percent.

The incentive provision described above does not apply to Class III benefits (which are paid at 50 percent) or Crowns (which are paid at 70 percent.)

Predetermination (estimate) of benefits

If your dental care will be extensive, you may ask your dentist to complete and submit a request for an estimate, sometimes called a “predetermination of benefits.” This will allow you to know in advance what procedures are covered, the amount Washington Dental Service will pay and your financial responsibility.
