

WHICH NETWORK TO CHOOSE?

To receive the most out of your dental benefits you must select a provider from the appropriate Delta Dental provider network. Which plan you are covered under determines which network you should choose from. If you are unsure of which plan you have or which network to choose from, please refer to the table below.

Example: If you are with the UAW 1069 Helicopter Group, you are covered under a PPO plan and you would want to choose a provider from the Delta Dental PPO Network.

Group Number	Name of Group and Plan Type	Provider Network		
		Delta Dental PPO *	Delta Dental Premier	DeltaCare
3850	Non-Union Salaried - Prepaid Plan			Yes
4000	IAM 751 - Incentive Plan-Delta Dental Premier		Yes

*** Note:**

There are 17 states that make up the PPO In-Service Area network. If you are covered under a PPO plan and seek services in one of these states, you will need to choose a PPO provider in order to receive the in-network (higher) level of benefits. If you choose a Delta Dental Premier or a non-member provider, you will receive the out-of-network (lower) level of benefits. If you seek services outside the PPO Service Area, you may go to any provider and still receive the in-network (higher) level of benefits.

The PPO In-Service Area consists of the following states:

CA, CO, DC, HI, IL, IN, LA,
MD, MO, NE, NJ, NY,OR
PA, RI, UT and WA.
