## Get the most from your benefits!

### Create a MySmile® account

It gives you secure, 24/7 access to your ID card, benefits information, out-of-pocket cost estimates, and more! Visit [DeltaDentalWA.com](http://DeltaDentalWA.com) to create your account.

### Choose an in-network dentist

Your plan gives you access to the Delta Dental PPO<sup>SM</sup> network. Your benefits go farthest when you visit a Delta Dental PPO dentist which gives you the most bang for your buck.

If you see a non-Delta Dental PPO dentist, you won't maximize your benefits. Your annual maximum won't go as far and you'll likely have greater out-of-pocket costs.

### Visit your dentist regularly

Your plan covers preventive care visits each year. Regular cleanings and check-ups are essential to keeping your smile healthy and preventing painful, expensive problems down the road.

### Get out-of-pocket cost estimates

Knowing your cost upfront helps you and your dentist plan treatments to maximize your benefits.

**MySmile Cost Genie<sup>SM</sup>** gives you instant, cost estimates. It's great for basic treatments like fillings. Simply sign in to MySmile account to get your personalized estimate.

When you need extensive treatment, like a crown, ask your dentist for a "Predetermination." You'll get a **Confirmation of Treatment and Cost** from us. It details your dentist's treatment plan, what your benefits cover, and how much you may owe your dentist for the treatment.
