What you get:

- > The ability to **give endorsements** in a voluntary, anonymous forum

- > The great feeling of **giving back to your dentist** and the community
- > A very **grateful dentist!**

What your dentist gets:

- > **Increased business** that helps the practice you visit grow
- > The satisfaction of knowing they're doing a wonderful job
- > **Insight** on what's working for their patients—hours, amenities, staff...
- > **Free marketing** because you're their personal marketer!
