## How to Use Your Plan

The best way to take full advantage of your dental Plan is to understand its features. You can do this most easily by reading this benefit booklet before you go to the dentist. This benefit booklet is designed to give you a clear understanding of how your dental coverage works and how to make it work for you. It also answers some common questions and defines a few technical terms. If this benefit booklet does not answer all of your questions, or if you do not understand something, call a DDWA customer service representative at (800) 554-1907. Please be sure to consult your provider regarding any charges that may be your responsibility before treatment begins.

## Choosing a Dentist

With DDWA, you may select any licensed dentist; however, your benefits may be paid at a higher level and your out-of-pocket expenses may be lower if you choose a participating Delta Dental dentist. Tell your dentist that you are covered by a DDWA dental Plan and provide your identification number, the Plan name and the group number.

## Delta Dental Participating Dentists

If you select a dentist who is a Delta Dental participating provider, that dentist has agreed to provide treatment for Enrollees covered by DDWA plans. You will not have to hassle with sending in claim forms. Participating dentists complete claim forms and submit them directly to DDWA. Payment will be based on the pre-approved fees your dentist has filed with the local Delta Dental plan and will be sent directly to the dentist from DDWA. You will be responsible only for stated coinsurances, deductibles, any amount over the Plan maximum and for any elective care you choose to receive outside the covered dental benefits. You will not be charged more than the participating dentist's approved fee or the fee that the Delta Dental dentist has filed with us.

### Delta Dental Premier® Dentists (non-PPO)

The Premier network is Delta Dental's largest network of dentists. More than 87% of dentists in Washington are part of the Premier network (based on analysis of Delta Dental of Washington claims data as of February, 2015).

### Delta Dental PPO Dentists

PPO dentists must be Delta Dental Premier® dentists in order to participate in the PPO network. Typically, PPO dentists have lower filed fees, thereby lowering your out-of-pocket costs. Also, by using a PPO dentist you will receive a higher annual plan maximum (see the "plan maximum" section for more details).

## Nonparticipating Dentists

If you select a dentist who is not a Delta Dental participating dentist, you are responsible for having your dentist complete and sign an appropriate claim form. We accept any American Dental Association-approved claim form that your dentist may provide. You may also download a claim form from our website at [www.DeltaDentalWA.com/WEA](http://www.DeltaDentalWA.com/WEA). It is up to you to ensure that the claim is sent to DDWA. Payment by DDWA to nonparticipating dentist for services will be based on the dentist's actual charges or DDWA's maximum allowable fees for nonparticipating dentists in the state in which the services are performed, whichever is less. You will be responsible for any balance remaining. Please be aware that DDWA has no control over nonparticipating dentists' charges or billing practices.

## Finding a Dentist

You can find the most current listing of participating dentists within the state of Washington by going online to the Delta Dental of Washington website at [www.DeltaDentalWA.com](http://www.DeltaDentalWA.com). Click on the *Patients* tab and enter your information in the *Find a Dentist* fields and select *Find Dentists* to begin your search. Be sure to click on the *Delta Dental PPO Plan* to filter your search results.

## Claim Forms

American Dental Association-approved claim forms may be obtained from your dentist, or you may download claim forms from our website at [www.DeltaDentalWA.com](http://www.DeltaDentalWA.com).

DDWA is not obligated to pay for treatment performed for which claim forms are submitted for payment more than 12 months after the date of such treatment.

## Information Needed For Claim Submission

1. Employee's Identification Number
2. Patient's name and birthdate
3. Name of Plan (WEA Plan #186)
4. Name of Employer (School District)

**Note: Possession of this booklet is not proof of eligibility. Terms and conditions are set forth in a contract between the Washington Education Association and Delta Dental of Washington which is on file with the WEA Benefit Services Division.**

## Estimate Request

If you would like an estimate of your benefits and costs before treatment, you may ask your dentist to complete and submit a request for an estimate, also known as a "predetermination of benefits." This will allow you to know in advance which procedures may be covered, the amount DDWA may pay towards those procedures, and your expected financial responsibility.

*Please see the "Predetermination of Benefits" Section under Claim Review and Appeals for more information.*

## Limitations and Exclusions

Dental plans typically include limitations and exclusions, meaning that the plans do not cover every aspect of dental care. This can affect the type of procedures performed or the number of visits. These limitations are detailed in this benefit booklet under the sections called "Benefits Covered by Your Plan", "General Limitations" and "General Exclusions." They warrant careful reading.

## Plan Deductible

This Plan does not have a deductible requirement.

## Coinsurance

DDWA will pay a predetermined percentage of the cost of your treatment (see "Reimbursement Levels" below) and you are responsible for paying the balance. What you pay is called the coinsurance.

## Reimbursement Levels

Your dental Plan offers three classes of covered treatment, Class I – Diagnostic and Preventive; Class II – Basic and Class III – Major. Each class also specifies limitations and exclusions.

Refer to the "*Benefits Covered by Your Plan*" section of this benefit booklet for specific covered dental benefits under this plan.

### Reimbursement Levels for Class I, II and III Procedures

The payment level for covered and allowable procedures is as follows:

Class I (diagnostic And preventive).....	100%
Class II (basic).....	80%
Class III (major).....	50%

### Reimbursement Levels for Other Procedures

The payment level for covered and allowable TMJ procedures is 50 percent.

The payment level for covered dental expenses arising as a direct result of an accidental injury is 100 percent, up to the unused Plan maximum.

## Plan Maximum

For your plan, the maximum amount payable by DDWA for Class I, II and III covered dental benefits (including Accidental Injury benefits) per Enrollee each benefit period is based on the provider's participation with Delta Dental. Charges for dental procedures requiring multiple treatment dates are considered incurred on the date the services are completed. Amounts paid for such procedures will be applied to the Plan maximum based on the incurred date.

Delta Dental PPO Dentists.....\$2,000.00

Non-Delta Dental PPO Dentists .....\$1,750.00

**The Plan maximum for Delta Dental PPO Dentists and Non-Delta Dental PPO Dentists will not be paid as two separate annual maximums. The applicable plan maximum will be determined based on the provider's participation with Delta Dental when claims are processed.**

The lifetime maximum amount payable by DDWA for TMJ benefits is \$5,000 per eligible person, with a benefit period maximum of \$1,000 per eligible person.

## Transfer of Benefits

*If you transfer from one school district to another, but maintain continuous coverage under a WEA Select Dental Plan (186, 187 or 188), the claim history, incentive level (if transferring from one incentive Plan to another), maximum and deductible information for you and your dependents will continue, since your coverage is under the WEA/DDWA Plan.*

If you transfer from a school district with a non-WEA Select Dental Plan, to a district with a WEA Select Dental Plan, you are a new Enrollee on the WEA/DDWA Plan. You and your dependents will be subject to all Plan maximums and deductibles, if applicable.

## Who Is Eligible

### Employee

*Eligible Employees are all active full-time employees for whom the District makes timely payment of the monthly dues.*

Employees hired after the Plan is in effect become eligible on the first day of the month for which the District makes payment of the monthly dues.

All eligible Employees must participate in this Plan, regardless of any coverage under any other Plan. However, an employee may only be enrolled as a subscriber in the WEA Select Dental Plan at one school district.

School Board members are not eligible for coverage unless they are paid employees of the school district and meet WEA eligibility requirements. School Board members who receive compensation for their services as board members are not considered employees for this purpose.

### Dependent

Your Eligible Dependents are your legal spouse, registered domestic partner of any state or domestic partner who meets the requirements of and completes the "Declaration of Domestic Partnership", and children, including biological children, stepchildren and adopted children from birth up to age 26. Spouses and children of your dependent children are not eligible for coverage under this Plan.

Wherever spouse is stated in this contract, an eligible domestic partner would also be included.

Please note that once enrolled, coverage for dependents may only be dropped at open enrollment or when there is a qualifying event as described under "Special Enrollment."

### Verifying Dependents

The WEA verifies the eligibility of all dependents and reserves the right to request documents from subscribers that substantiate that the person(s) enrolled meet the criteria of the plan. Examples of documents that may be requested include, but are not limited to, government-issued marriage certificates, the Declaration of Domestic Partnership, government-issued birth certificates and legal guardianship papers. If documents are not provided that verify your dependents' eligibility, their coverage will be canceled and COBRA will not be offered. The WEA Select Dental Plan will not reenroll dependents for whom you are unable to provide acceptable documentation.

### **Child Developmental Disability**

Coverage for a dependent child over the limiting age will not be terminated if the child is and continues to be both 1) incapable of self-sustaining employment by reasons of developmental disability (including mental retardation, cerebral palsy, epilepsy, autism, or another neurological condition closely related to mental retardation or to require treatment similar to that required for mentally retarded individuals) or physical handicap and 2) chiefly dependent upon the Eligible Person for support and maintenance, provided proof of incapacity and dependency is furnished to DDWA within 31 days of the child's attainment of the limiting age and the child was an Eligible Dependent upon attainment of the limiting age. DDWA reserves the right to periodically verify the disability and dependency but not more frequently than annually after the first two years.

### **Marriage**

You may enroll a newly acquired spouse and children within 60 days of marriage. When enrollment is completed within 60 days of the marriage, coverage will begin on the first day of the month following the date of the event. If you do not enroll your spouse/children within the specified time period, they may not be enrolled until the next open enrollment period, unless there is a qualifying event.

### **Natural Newborn Children**

Children of you or your spouse born while you are covered under this plan are covered from date of birth if enrolled within 60 days of birth. If notification is not received within 60 days of the date of birth, coverage will become effective on the first of the month following the date of notification.

### **Adoptive Children**

You may enroll your adoptive child within 60 days from date of placement. Coverage becomes effective for adoptive children on the date of placement with the subscriber. If notification is not received within 60 days of the date of placement, coverage will become effective on the first of the month following the date of notification.

### **Legal Guardianship/Non-Parental Custody**

A child will be considered an Eligible Dependent as an adopted child if the following conditions are met: 1) the child has been placed with the Eligible Employee for the purpose of adoption under the laws of the state in which they reside; and 2) the Eligible Employee has assumed a legal obligation for total or partial support of the child in anticipation of adoption. If premium is required, notification of placement of a child for adoption and payment of any additional required monthly dues must be furnished to DDWA within 60 days from the date of placement.

Children under legal guardianship (legal wards) or under a legal non-parental custody decree may be enrolled for coverage if the following conditions are met:

- The legal guardianship/non-parental custody must have been awarded in accordance with the laws of the state in which the guardianship/non-parental custody is obtained. Documentation must be provided, including the court order and petition for guardianship/non-parental custody, stating the reason and authority of the guardianship/non-parental custody.
- The guardian/person with non-parental custody must be either the subscriber or the subscriber's spouse. The guardian/person with non-parental custody and the child must both be enrolled under the same Plan.
- The child must be under age 26.

A child eligible under a court order award is no longer eligible at the expiration or termination of the court order.

When the enrollment process for an eligible child covered under legal guardianship (legal wards) or under a legal non-parental custody decree is completed within 60 days of the date of the decree, coverage required under the decree will be effective on the date of the decree. If enrollment is not completed within 60 days, the child may not be enrolled until the next open enrollment period, with the exception of conditions described under "Loss of Other Coverage" below.

### **Medical Child Support Orders**

When a child is to be added to your coverage due to a medical child support order, you must provide a copy of the court order (or National Medical Support Notice, Part A or Part B) to the WEA Select Benefit Center. Once approved, coverage for the eligible child required under the order becomes effective on your coverage as of the date of the notice.

### **Change in Dependent Status**

Please report any changes immediately. Eligibility will not be credited beyond 60 days prior to the date you report

a change.

When a covered dependent is no longer eligible on your group dental plan, he or she may continue coverage through COBRA, see "Continuation of Group Coverage – COBRA."

### **Loss of Other Coverage**

Your dependents may be enrolled on this plan outside the open enrollment period if they had other dental care coverage at the time this plan was offered, but later lost it. The loss of the other coverage must be due to one of the following events:

- Loss of eligibility for coverage for reasons including, but not limited to divorce, death, end of employment, retirement, or a reduction in the number of hours employed
- The employer terminates its contribution toward the coverage, or
- They were covered under COBRA and that COBRA coverage on a non-WEA Select Plan has been exhausted

If your dependents lose coverage for any other reason, you will have to wait until the next open enrollment period to enroll them.

When enrollment is completed within 60 days of the date the prior coverage ended, coverage on the plan will begin on the first of the month after the loss of other coverage.

Please also see "Special Enrollments."

### **Enrollment Periods**

In addition to the criteria described in sections above, the following enrollments may be available.

#### **Open Enrollment**

If the school district offers employees a choice of another dental care plan, subscribers and dependents enrolled on the Participating Employer Unit's other plan may transfer to this plan during the Participating Employer Unit's scheduled open enrollment period.

Enrollment at any other time will be allowed only as explained under "Loss Of Other Coverage," "Marriage," "Natural Newborn Children," "Adoptive Children," "Legal Guardianship/Non-parental Custody," "Medical Child Support Orders," or "Special Enrollment."

#### **Special Enrollment**

You may enroll your dependents on this plan outside the open enrollment period when you are enrolling a new dependent acquired through marriage, birth, adoption, assumption of legal guardianship, non-parental custody or due to a medical child support order as described earlier in this section.

For information on enrollment procedures and coverage effective dates, please see the appropriate benefit booklet section (Marriage, Natural Newborn Children, Adoptive Children, Legal Guardianship/Non-Parental Custody or Medical Child Support Orders.)

In addition to the above special enrollment rights, you also may be eligible to drop or add dependent coverage if you experience certain qualifying events. Qualifying events include a change in legal marital status, change in employment status of you or your enrolled dependent, change in dependent eligibility (such as reaching the limiting age) or a significant change in the cost of benefits for the dependent. Contact the WEA Select Benefits Center for more information.

### **Extension of Benefits**

In the event a person ceases to be eligible for enrollment, or ceases to be enrolled, or in the event of termination of this Plan, DDWA shall not be required to pay for services beyond the termination date. The exception will be for the completion (within three weeks) of procedures requiring multiple visits to complete the work started while coverage was in effect and that are otherwise benefits under the terms of this plan.

### **How to Report Suspicion of Fraud**

If you suspect a dental provider, an insurance producer or individual may be committing insurance fraud, please contact the DDWA hotline for Fraud & Abuse at (800) 554-1907. You may also want to alert any of the appropriate law enforcement authorities listed:

- The National Insurance Crime Bureau (NICB). You can reach the NICB at 1 (800) 835-6422 (callers do not have to disclose their names when reporting fraud to the NICB).
- The Office of the Insurance Commissioner (OIC) at (360) 725-7263 or go to [www.insurance.wa.gov](http://www.insurance.wa.gov) for more information.

## Self-Payment Provisions

### Labor Dispute

If compensation is suspended directly or indirectly as a result of strike, or lockout or other labor dispute, subscription charges may be paid for yourself and your Eligible Dependents directly to the employer for up to six months. This period of coverage will not extend any other period of continued coverage provided by your Plan.

When the subscriber's compensation or wage is so suspended or terminated, the subscriber shall be notified immediately in writing by the Participating Employer Unit. A notice will be mailed to the address last on record with the Participating Employer Unit that the subscriber may pay subscription charges to the Participating Employer Unit as they are due as provided in this section.

### Continuation During Leave of Absence

Coverage for the subscriber and any enrolled dependents on an official leave of absence or sabbatical may be continued for up to 18 months. The leave of absence period must begin at the end of the last month of coverage paid from fringe benefit funds earned during active employment. If you do not elect continued coverage at this time or if you terminate coverage at any time during your leave of absence, you may not enroll on the Plan until you return to active employment. If you do not elect coverage under the leave of absence provision, or terminate coverage during your leave of absence, you will immediately be eligible for COBRA (see below). To be eligible for COBRA, you must elect coverage under COBRA within 60 days after coverage under the leave of absence provision terminates.

*A district approved leave beyond 18 months does not entitle the subscriber (or enrolled dependents) to extend coverage under this leave of absence provision.* If you do not return to work after your leave of absence or if another consecutive district-approved leave is granted without another period of active employment, you and your enrolled dependents may be eligible for an additional 18 months of COBRA continuation coverage. The maximum period of extended coverage under any circumstance is 36 months, i.e., up to 18 months of continued coverage under the leave of absence provisions and up to 18 months of COBRA continuation.

Additional coverage under this provision may be elected if you return to employment and are granted further official leaves of absence or sabbaticals.

Example:

- Employee is granted a leave of absence and is no longer actively at work as of March 20.
- Employee's active work results in fringe benefit dollars for March, which pay for April benefits.
- Employee will receive sick leave through the district leave-sharing program for 2 months.

In the above example, the 18-month leave of absence coverage period would officially begin on May 1, because April 1 is the last month of fringe benefit funds from active employment. The total extended coverage for sick leave and the leave of absence would be 18-months, at which time the district would need to provide the Enrolled Employee notice of access to COBRA continuation for 18 additional months (total 36-months). If the above leave of absence had been started prior to the March payroll cutoff for benefits, the leave period would begin April 1.

Employer-paid continuation of coverage may be available for up to 12 weeks in the event of leave covered under the Family and Medical Leave Act of 1993. Please check with your local payroll office for additional information.

### Reduction in Force

For those Participating Employer Units who do not provide COBRA under this Plan, the following provision will apply:

Coverage for Reduction In Force (RIF) subscribers and their enrolled dependents may be continued on a self-paid basis through the group for up to 12 months from the date of lay-off.

## **Termination of Benefits**

Coverage for you and your Eligible Dependents will terminate if you cease to be eligible as previously defined, or if the Plan is terminated.

An individual's dependent's coverage will terminate at the end of the month in which the dependent is no longer eligible as previously defined.

For the purpose of this Plan, termination of employment will be considered to occur on the last day of the calendar month for which premiums are paid from fringe benefit funds earned during active employment.

If you are terminating employment due to retirement, you may apply for the WEA sponsored DDWA Retiree Dental Plan. To be eligible you must receive monthly retirement benefits from the Washington State Retirement System (TRS or PERS). You must apply for Retiree Coverage while still covered as an Active Employee or covered under COBRA. Contact DDWA to receive application materials.

## **Continuation of Coverage — “COBRA”**

### **For Participating Employer Unit with 20 or more employees (as described by COBRA)**

When group coverage is lost because of a “qualifying event” shown below, federal law and regulations require that the Participating Employer Unit offer qualified Enrollees an election to continue their group coverage for a limited time. (These laws and regulations are referred to in this Plan as “COBRA.”) Continued coverage is not automatic. Under COBRA, a qualified Enrollee must apply for continued coverage within a certain time period and may also have to pay the subscription charges for it.

*If subscriber or any enrolled dependents do not elect COBRA coverage at this time, they may not enroll on the Plan at a later date.*

The Participating Employer Unit must fulfill all of the obligations and responsibilities regarding continued coverage that are assigned by COBRA to the Participating Employer Unit, Plan sponsor or administrator and to the “group health Plan.” DDWA is not the COBRA Plan administrator, and our actions pertaining to COBRA continuation coverage under this Plan shall not be construed as relieving the participating employer of its responsibility under COBRA. We provide coverage only to the extent that Enrollees are entitled to continued coverage under COBRA and only to the extent of the other terms and Limitations of this Plan.

The following summary of continued coverage is taken from COBRA. Enrollees’ rights to this coverage and obligations under COBRA automatically change with further amendments of COBRA by the courts and federal regulatory agencies.

## **Qualifying Events and Length of Coverage**

COBRA coverage can be extended if an Enrollee who lost coverage due to a reduction in hours or termination of employment is determined to be disabled under Title II (IASDI) or Title XVI (SSI) or the Social Security Act at any time during the first 60 days of COBRA coverage. In such cases, all family members who elected COBRA may continue coverage for up to a total of 29 consecutive months from the date of the reduction in hours or termination. To be eligible for the extended continuation period, you must give the group a copy of the determination of disability during the 18-month continuation period and no later than 60 days after you receive the determination.

The Participating Employer Unit must offer the covered spouse or children an election to continue coverage for up to 36 months if their coverage is lost because of one of the four qualifying events:

- The subscriber dies.
- The subscriber and spouse divorce.
- The subscriber becomes entitled to Medicare.
- A child loses eligibility for dependent coverage.

In addition, the occurrence of one of these events during the 18-month period described above can extend that period for a continuing dependent. The extended period will end no later than 36 months from the date of the first qualifying event.

A covered spouse or child is eligible for continued coverage due to a divorce or a child’s loss of dependent eligibility only if the Participating Employer Unit is notified no more than 60 days after either the qualifying event date or the date the dependent’s coverage ends, whichever is later.

## Conditions of Continued Coverage

For continued coverage to become effective, all of the requirements below must be met:

1. You must notify the Participating Employer Unit if the “qualifying event” is divorce or a child’s loss of eligibility for dependent coverage.
2. You must elect continued coverage no more than 60 days after either the date coverage was to end because of the qualifying event, or the date of the Participating Employer Unit notified you of your right to elect continued coverage, whichever is later.
3. You must send your first subscription charge payment to the Participating Employer Unit no more than 45 days after the date you elected continued coverage.
4. Subsequent subscription charges must be paid on a timely basis to the Participating Employer Unit.

## When Continued Cobra Coverage Ends

Continued coverage will end on the last day for which subscription charges have been paid in the monthly period in which the first of the following occurs:

1. The applicable continuation period expires.
2. The next monthly subscription charge is not paid when due or within the grace period.
3. If you have extended COBRA coverage due to disability, it will end if Social Security determines that you are no longer disabled. In this case, coverage terminates at the end of the month that begins at least 30 days after Social Security’s decision. For example, if Social Security decides on March 15 that you are not disabled, your coverage would end May 31. You must provide the Participating Employer Unit with a copy of the determination within 30 days after the date of the termination.
4. You become covered under another group dental Plan after the date you elect COBRA coverage. If, however, the new Plan contains an exclusion or limitation for your preexisting condition, coverage does not end for this reason until the exclusion or limitation no longer applies.
5. You become entitled to Medicare after the date you elect COBRA coverage.

The Participating Employer Unit ceases to offer this WEA Select Dental Plan. However, you should contact your Participating Employer Unit regarding participation in any other group dental Plan offered to your bargaining unit/employee classification.

## Coordination of Benefits

Coordination of this Contract’s Benefits with Other Benefits: The coordination of benefits (COB) provision applies when you have dental coverage under more than one *Plan*. *Plan* is defined below.

The order of benefit determination rules govern the order in which each *Plan* will pay a claim for benefits. The *Plan* that pays first is called the *Primary Plan*. The *Primary Plan* must pay benefits according to its policy terms without regard to the possibility that another *Plan* may cover some expenses. The *Plan* that pays after the *Primary Plan* is the *Secondary Plan*. The *Secondary Plan* may reduce the benefits it pays so that payments from all *Plans* do not exceed 100 percent of the total *Allowable Expense*.

**Definitions:** For the purpose of this section, the following definitions shall apply:

A “*Plan*” is any of the following that provides benefits or services for dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same *Plan* and there is no COB among those separate contracts. However, if COB rules do not apply to all contracts, or to all benefits in the same contract, the contract or benefit to which COB does not apply is treated as a separate *Plan*.

- *Plan* includes: group, individual or blanket disability insurance contracts, and group or individual contracts issued by health care service contractors or health maintenance organizations (HMO), *Closed Panel Plans* or other forms of group coverage; medical care components of long-term care contracts, such as skilled nursing care; and Medicare or any other federal governmental *Plan*, as permitted by law.

- *Plan* does not include: hospital indemnity or fixed payment coverage or other fixed indemnity or fixed payment coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident and similar coverage that cover students for accidents only, including athletic injuries, either on a twenty-four-hour basis or on a "to and from school" basis; benefits for nonmedical components of long-term care policies; automobile insurance policies required by statute to provide medical benefits; Medicare supplement policies; A state Plan under Medicaid; A governmental *plan*, which, by law, provides benefits that are in excess of those of any private insurance Plan or other nongovernmental *plan*; automobile insurance policies required by statute to provide medical benefits; benefits provided as part of a direct agreement with a direct patient-provider primary care practice as defined by law or coverage under other federal governmental *Plans*, unless permitted by law.

Each contract for coverage under the above bullet points is a separate *Plan*. If a *Plan* has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate *Plan*.

**"This Plan"** means, in a COB provision, the part of the contract providing the dental benefits to which the COB provision applies and which may be reduced because of the benefits of other *Plans*. Any other part of the contract providing dental benefits is separate from *This Plan*. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

The order of benefit determination rules determine whether *This Plan* is a *Primary Plan* or *Secondary Plan* when you have dental coverage under more than one *Plan*.

When *This Plan* is primary, it determines payment for its benefits first before those of any other *Plan* without considering any other *Plan's* benefits. When *This Plan* is secondary, it determines its benefits after those of another *Plan* and must make payment in an amount so that, when combined with the amount paid by the *Primary Plan*, the total benefits paid or provided by all *Plans* for the claim are coordinated up to 100 percent of the total *Allowable Expense* for that claim. This means that when *This Plan* is secondary, it must pay the amount which, when combined with what the *Primary Plan* paid, does not exceed 100 percent of the *Allowable Expense*. In addition, if *This Plan* is secondary, it must calculate its savings (its amount paid subtracted from the amount it would have paid had it been the *Primary Plan*) and record these savings as a benefit reserve for you. This reserve must be used to pay any expenses during that calendar year, whether or not they are an *Allowable Expense* under *This Plan*. If *This Plan* is secondary, it will not be required to pay an amount in excess of its maximum benefit plus any accrued savings.

**"Allowable Expense"**, except as outlined below, means any health care expense including coinsurance or copayments and without reduction for any applicable deductible, that is covered in full or in part by any of the plans covering you. When coordinating benefits as the secondary plan, Delta Dental of Washington must pay an amount which, together with the payment made by the primary plan, cannot be less than the same allowable expense as the secondary Plan would have paid if it was the primary plan. In no event will DDWA be required to pay an amount in excess of its maximum benefit plus accrued savings. When Medicare, Part A, Part B, Part C, or Part D is primary, Medicare's allowable amount is the allowable expense.

An expense or a portion of an expense that is not covered by any of the *plans* is not an allowable expense. The following are examples of expenses that are not *Allowable Expenses*:

- If you are covered by two or more *Plans* that compute their benefit payments on the basis of a maximum allowable amount, relative value schedule reimbursement method or other similar reimbursement method, any amount charged by the provider in excess of the highest reimbursement amount for a specific benefit is not an *Allowable Expense*.
- If you are covered by two or more *Plans* that provide benefits or services on the basis of negotiated fees, an amount in excess of this plan's negotiated fee is not an *Allowable Expense*.

**"Closed Panel Plan"** is a *Plan* that provides dental benefits to you in the form of services through a panel of providers who are primarily employed by the *Plan*, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.

**"Custodial Parent"** is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one-half of the calendar year without regard to any temporary visitation.

**Order of Benefit Determination Rules:** When you are covered by two or more *Plans*, the rules for determining the order of benefit payments are as follows:

The *Primary Plan* must pay or provide its benefits as if the *Secondary Plan* or *Plans* did not exist.

A *Plan* that does not contain a coordination of benefits provision that is consistent with Chapter 284-51 of the Washington Administrative Code is always primary unless the provisions of both *Plans* state that the complying *Plan* is primary, except coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage is excess to any other parts of the *Plan* provided by the contract holder.

A *Plan* may consider the benefits paid or provided by another *Plan* in calculating payment of its benefits only when it is secondary to that other *Plan*.

Each *Plan* determines its order of benefits using the first of the following rules that apply:

**“Non-Dependent or Dependent.”** The *Plan* that covers you other than as a *Dependent*, for example as an employee, member, policyholder, subscriber or retiree is the *Primary Plan* and the *Plan* that covers you as a *Dependent* is the *Secondary Plan*. However, if you are a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the *Plan* covering you as a *Dependent*, and primary to the *Plan* covering you as other than a *Dependent* (e.g., a retired employee), then the order of benefits between the two *Plans* is reversed so that the *Plan* covering you as an employee, member, policyholder, subscriber or retiree is the *Secondary Plan* and the other *Plan* is the *Primary Plan*.

**“Dependent Child Covered Under More Than One Plan.”** Unless there is a court decree stating otherwise, when a *Dependent* child is covered by more than one *Plan* the order of benefits is determined as follows:

- 1) For a *Dependent* child whose parents are married or are living together, whether or not they have ever been married:
  - a) The *Plan* of the parent whose birthday falls earlier in the calendar year is the *Primary Plan*; or
  - b) If both parents have the same birthday, the *Plan* that has covered the parent the longest is the *Primary Plan*.
- 2) For a *Dependent* child whose parents are divorced or separated or not living together, whether or not they have ever been married:
  - a) If a court decree states that one of the parents is responsible for the *Dependent* child’s dental expenses or dental coverage and the *Plan* of that parent has actual knowledge of those terms, that *Plan* is primary. This rule applies to claims determination periods commencing after the *Plan* is given notice of the court decree;
  - b) If a court decree states one parent is to assume primary financial responsibility for the *Dependent* child but does not mention responsibility for dental expenses, the *Plan* of the parent assuming financial responsibility is primary;
  - c) If a court decree states that both parents are responsible for the *Dependent* child’s dental expenses or dental coverage, the provisions of the first bullet point above (for dependent child(ren) whose parents are married or are living together) determine the order of benefits;
  - d) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the dental expenses or dental coverage of the *Dependent* child, the provisions of the first bullet point above (for dependent child(ren) whose parents are married or are living together) determine the order of benefits; or
  - e) If there is no court decree allocating responsibility for the *Dependent* child’s dental expenses or dental coverage, the order of benefits for the child is as follows:
    - I. The *Plan* covering the *Custodial Parent*, first;
    - II. The *Plan* covering the spouse of the *Custodial Parent*, second;
    - III. The *Plan* covering the noncustodial *Parent*, third; and then
    - IV. The *Plan* covering the spouse of the noncustodial *Parent*, last

- 3) For a *Dependent* child covered under more than one *Plan* of individuals who are not the parents of the child, the provisions of the first or second bullet points above (for *dependent* child(ren) whose parents are married or are living together or for *dependent* child(ren) whose parents are divorced or separated or not living together) determine the order of benefits as if those individuals were the parents of the child.

**“Active Employee or Retired or Laid-off Employee:”** The *Plan* that covers you as an active employee, that is, an employee who is neither laid off nor retired, is the *Primary Plan*. The *Plan* covering you as a retired or laid-off employee is the *Secondary Plan*. The same would hold true if you are a *Dependent* of an active employee and you are a *Dependent* of a retired or laid-off employee. If the other *Plan* does not have this rule, and as a result, the *Plans* do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under the *Non-Dependent* or *Dependent* provision above can determine the order of benefits.

**“COBRA or State Continuation Coverage:”** If your coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another *Plan*, the *Plan* covering you as an employee, member, subscriber or retiree or covering you as a *Dependent* of an employee, member, subscriber or retiree is the *Primary Plan* and the COBRA or state or other federal continuation coverage is the *Secondary Plan*. If the other *Plan* does not have this rule, and as a result, the *Plans* do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under the *Non-Dependent* or *Dependent* provision above can determine the order of benefits.

**“Longer or Shorter Length of Coverage:”** The *Plan* that covered you as an employee, member, policyholder, subscriber or retiree longer is the *Primary Plan* and the *Plan* that covered you the shorter period of time is the *Secondary Plan*.

If the preceding rules do not determine the order of benefits, the *Allowable Expenses* must be shared equally between the *Plans* meeting the definition of *Plan*. In addition, *This Plan* will not pay more than it would have paid had it been the *Primary Plan*.

**Effect on the Benefits of *This Plan*:** When *This Plan* is secondary, it may reduce its benefits so that the total benefits paid or provided by all *Plans* during a claim determination period are not more than the *Total Allowable Expenses*. In determining the amount to be paid for any claim, the *Secondary Plan* must make payment in an amount so that, when combined with the amount paid by the *Primary Plan*, the total benefits paid or provided by all *Plans* for the claim do not exceed 100 percent of the total *Allowable Expense* for that claim. Total *Allowable Expense* is the *Allowable Expense* of the *Primary Plan* or the *Secondary Plan up to this plan's allowable expense*. In addition, the *Secondary Plan* must credit to its *Plan* deductible any amounts it would have credited to its deductible in the absence of other dental coverage.

**How We Pay Claims When We Are Secondary:** When we are knowingly the *Secondary Plan*, we will make payment promptly after receiving payment information from your *Primary Plan*. Your *Primary Plan*, and we as your *Secondary Plan*, may ask you and/or your provider for information in order to make payment. To expedite payment, be sure that you and/or your provider supply the information in a timely manner.

If the *Primary Plan* fails to pay within 60 calendar days of receiving all necessary information from you and your provider, you and/or your provider may submit your claim for us to make payment as if we were your *Primary Plan*. In such situations, we are required to pay claims within 30 calendar days of receiving your claim and the notice that your *Primary Plan* has not paid. This provision does not apply if Medicare is the *Primary Plan*. We may recover from the *Primary Plan* any excess amount paid under the "right of recovery" provision in the *plan*.

- If there is a difference between the amounts the *plans* allow, we will base our payment on the higher amount. However, if the *Primary Plan* has a contract with the provider, our combined payments will not be more than the amount called for in our contract. Health maintenance organizations (HMOs) and health care service contractors usually have contracts with their providers as do some other *plans*.
- We will determine our payment by subtracting the amount paid by the *Primary Plan* from the amount we would have paid if we had been primary. We must make payment in an amount so that, when combined with the amount paid by the *Primary Plan*, the total benefits paid or provided by all *plans* for the claim does not exceed one hundred percent of the total allowable expense (the highest of the amounts allowed under each *Plan* involved) for your claim. We are not required to pay an amount in excess of our maximum benefit plus any accrued savings. If your provider negotiates reimbursement amounts with the *plan(s)* for the service provided, your provider may not bill you for any excess amounts once he/she has received payment for the highest of the negotiated amounts. When our deductible is fully credited, we will place any remaining amounts in a savings account to cover future claims which might not otherwise have been paid.

**Right to Receive and Release Needed Information:** Certain facts about dental coverage and services are needed to apply these COB rules and to determine benefits payable under *This Plan* and other *Plans*. The Company may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under *This Plan* and other *Plans* covering you. The Company need not tell, or get the consent of, any person to do this. To claim benefits under *This Plan* you must give the Company any facts it needs to apply those rules and determine benefits payable.

**Facility of Payment:** If payments that should have been made under *This Plan* are made by another *Plan*, the Company has the right, at its discretion, to remit to the other *Plan* the amount the Company determines appropriate to satisfy the intent of this provision. The amounts paid to the other *Plan* are considered benefits paid under *This Plan*. To the extent of such payments, the Company is fully discharged from liability under *This Plan*.

**Right of Recovery:** The Company has the right to recover excess payment whenever it has paid *Allowable Expenses* in excess of the maximum amount of payment necessary to satisfy the intent of this provision. The Company may recover excess payment from any person to whom or for whom payment was made or any other Company or *Plans*.

If payments that should have been made under *This Plan* are made by another *Plan*, DDWA has the right, at its discretion, to remit to the other *Plan* the amount it determines appropriate. To the extent of such payments, DDWA is fully discharged from liability under *This Plan*.

**Notice to covered persons** If you are covered by more than one health benefit *Plan*, and you do not know which is your *Primary Plan*, you or your provider should contact any one of the health *Plans* to verify which *Plan* is primary. The health *Plan* you contact is responsible for working with the other health *Plan* to determine which is primary and will let you know within 30 calendar days.

**CAUTION:** All health *Plans* have timely claim filing requirements. If you, or your provider, fail to submit your claim to a secondary health *Plan* within the *Plan*'s claim filing time limit, the *Plan* can deny the claim. If you experience delays in the processing of your claim by the primary health *Plan*, you or your provider will need to submit your claim to the secondary health *Plan* within its claim filing time limit to prevent a denial of the claim.

To avoid delays in claims processing, if you are covered by more than one *Plan* you should promptly report to your providers and *Plans* any changes in your coverage.

### **Uniformed Services Employment & Re-Employment Rights Act (USERRA)**

Employees called to military service have the right to continue dental coverage for up to 24 months by paying the monthly Premiums, even if they are employed by groups that are too small to comply with COBRA. USERRA contains other employment-related requirements, including (but not limited to) the employer having to hold the employee's position until he/she returns from service. For further information on this act, please contact your legal counsel or insurance producer.

### **Conversion Option**

If your dental coverage stops because your employment or eligibility ends or the group policy ends, you may apply directly to DDWA to convert your coverage to an individual policy. You must apply within 31 days after termination of your group coverage. The benefits and Premium costs may be different from those available under

your current plan. There may be a gap in coverage between the dates your coverage under your current Plan ends and the date that coverage begins under an individual policy.

You may apply for coverage under a DDWA individual Plan online at [www.DeltaDentalWA.com/Individual](http://www.DeltaDentalWA.com/Individual) or by calling (800) 286-1885 to have an application sent to you. Converted policies are subject to certain benefits and limits.

### **Necessary vs. Not Covered Treatment**

You and your provider should discuss which services may not be covered dental benefits. Not all necessary treatment is covered, and there may be additional charges. The majority of required dental services are covered by your plan. However, there are certain treatments that remain the responsibility of the patient.

### **Benefits Covered By Your Plan**

The following are the covered dental benefits under this Plan and are subject to the limitations and exclusions (refer also to “*General Limitations and General Exclusions*”) contained in this benefit booklet. Such benefits (*as defined*) are available only when provided by a licensed dentist or other licensed professional when appropriate and necessary as determined by the standards of generally accepted dental practice and DDWA.

**Note:** *Please be sure to consult your provider before treatment begins regarding any charges that may be your responsibility. To determine Covered Dental Benefits for certain treatments, DDWA may require an Enrolled Person to obtain an independent examination from a DDWA-appointed Dentist. DDWA will pay all of the charges incurred for this examination.*

The amounts payable by DDWA for covered dental benefits are described on your Summary of Benefits section of this benefit booklet.

## **Frequently Asked Questions about Your Dental Benefits**

### **What is a Delta Dental “participating dentist”?**

A Delta Dental participating dentist is a dentist who has signed an agreement with Delta Dental stipulating that he or she will provide dental treatment to subscribers and their dependents covered by DDWA's group dental care plans. Delta Dental participating dentists submit claims directly to DDWA for their patients, and cannot charge more than their filed fees with DDWA.

### **Can I choose my own dentist?**

Yes, this plan will pay for covered dental benefits by any licensed dental provider. However, your out-of-pocket costs may be lower if you receive benefits from a Delta Dental participating dentist. Please see “Choosing a Dentist” for more information.

### **How can I get claim forms?**

You can obtain American Dental Association-approved claim forms from your dentist. You can also obtain a copy of the approved claim form from our website at [www.DeltaDentalWa.com](http://www.DeltaDentalWa.com). **Note:** If your dentist is a Delta Dental participating provider, he or she will complete and submit claim forms for you.

### **What is the mailing address for DDWA claim forms?**

If you see a Delta Dental participating dentist, the dental office will submit your claims for you. If your dentist is not a participating dentist, it will be up to you to ensure that the dental office submits your claims to Delta Dental of Washington at P.O. Box 75983, Seattle, WA 98175-0983.

### **Who do I call if I have questions about my dental Plan benefits?**

If you have questions about your dental benefits, call DDWA's customer service department toll-free at (800) 554-1907. Questions can also be addressed via e-mail at [cservice@DeltaDentalWa.com](mailto:cservice@DeltaDentalWa.com).

### **Does DDWA pay less for tooth-colored fillings on my back teeth?**

Tooth-colored fillings, or fillings made of resin-based composite, are considered to be cosmetic. Dental amalgams, or what we normally think of as silver fillings, are less expensive and clinically equivalent to resin-based composite. Because of this, your Plan reimburses your dentist for amalgam fillings in back (posterior) teeth. DDWA does cover composite fillings in the front (anterior) teeth. If you have questions about this, feel free to discuss them with your dentist.

## **Do I have to get an “estimate” before having dental treatment done?**

You are not required to get an estimate, called a “predetermination of benefits”, in order for services to be covered. However, it is highly recommended that you do so for any extensive procedures. The estimates provided do not represent a guarantee of payment, but they will let you know if the planned procedure is a covered benefit and what your estimated out-of-pocket expenses will be.

## **What is Delta Dental?**

Delta Dental Plans Association is a national organization made up of local, nonprofit Delta Dental plans that provide employer groups with dental benefits coverage. DDWA is a member of the Delta Dental Plans Association.

## **Claim Review and Appeal**

### **Predetermination of Benefits**

A predetermination is a request made by your dentist to DDWA to determine your benefits for a particular service. This predetermination will provide you and your dentist with general coverage information regarding your benefits and your potential out-of-pocket cost for services.

A predetermination is not an authorization for services but a notification of Covered Dental Benefits available at the time the predetermination is made. It is not a guarantee of payment (please refer to the “Initial Benefits Determination” section regarding claims requirements).

A standard predetermination is processed within 15 days from the date of receipt of all appropriate information. If the information received is incomplete DDWA will notify you and your Dentist in writing that additional information is required in order to process the predetermination. Once the additional information is available your Dentist should submit a new request for a predetermination to DDWA.

In the event your benefits are changed, terminated, or you are no longer covered under this Plan, the predetermination is no longer valid. DDWA will make payments based on your coverage at the time treatment is provided.

### **Urgent Predetermination Requests**

Should a predetermination request be of an urgent nature, whereby a delay in the standard process may seriously jeopardize life, health, the ability to regain maximum function, or could cause severe pain in the opinion of a physician or dentist who has knowledge of the medical condition, DDWA will review the request within 72-hours from receipt of the request and all supporting documentation. When practical, DDWA may provide notice of determination orally with written or electronic confirmation to follow within 72 hours.

Immediate treatment is allowed without a requirement to obtain a predetermination in an emergency situation subject to the plan provisions.

### **Initial Benefit Determinations**

An initial benefit determination is conducted at the time of claim submission to DDWA for payment, modification or denial of services. In accordance with regulatory requirements, DDWA processes all clean claims within 30 days from the date of receipt. Clean claims are claims that have no defect or impropriety, including a lack of any required substantiating documentation, or particular circumstances requiring special treatment that prevents timely payments from being made on the claim. Claims not meeting this definition are paid or denied within 60 days of receipt.

If a claim is denied, in whole or in part, or is modified, you will be furnished with a written explanation of benefits (EOB) that will include the following information:

- The specific reason for the denial or modification
- Reference to the specific Plan provision on which the determination was based
- Your appeal rights should you wish to dispute the original determination

## **Appeals of Denied Claims**

### **How to contact us**

We will accept notice of an Urgent Care Grievance or Appeal if made by you, your covered dependent, or an authorized representative of your covered dependent orally by contacting us at the telephone number below or in

writing directed to Delta Dental of Washington, P.O. Box 75983, Seattle, WA 98175-0983. You may include any written comments, documents or other information that you believe supports your claim. For more information please call 1-800-554-1907.

### **Authorized Representative**

You may authorize another person to represent you or your child and receive communications from DDWA regarding your specific appeal. The authorization must be in writing and signed by you. If an appeal is submitted by another party without this authorization, a request will be made to obtain a completed Authorized Representative form. The appeal process will not commence until this form is received. Should the form, or any other document confirming the right of the individual to act on your behalf, i.e., power of attorney, not be returned, the appeal will be closed.

### **Informal Review**

If your claim for dental benefits has been completely or partially denied, you have the right to request an informal review of the decision. Either you, or your authorized representative (see above), must submit your request for a review within 180 days from the date your claim was denied (please see your Explanation of Benefits form). A request for a review may be made orally or in writing and include the following information:

- Your name and ID number
- The claim number (from your Explanation of Benefits form)
- The name of the dentist

DDWA will review your claim and make a determination within 30 days of receiving your request. DDWA will send you a written notification of the review decision and information regarding any further appeal rights available should the result be unfavorable to you. Upon request, you will be granted access to, and copies of, all relevant information used in making the review decision. Informal reviews of wholly or partially denied claims are conducted by persons not involved in the initial claim determination.

### **Formal Review**

If you are dissatisfied with the outcome of the informal review, you may make a written request that your claim be reviewed formally by the DDWA Appeals Committee. This Committee includes only persons who were not involved in either the original claim decision or the informal review.

Your request for a review by the Appeals Committee must be made within 90 days of the post-marked date of the letter notifying you of the informal review decision. Your request should include the information submitted with your informal review request plus a copy of the informal review decision letter. You may also submit any other documentation or information you believe supports your case.

The Appeals Committee will review your claim within 30 days of receiving your request. Upon completion of their review the Appeals Committee will send you written notification of their decision. Upon request, you will be granted access to, and copies of, all relevant information used in making the review decision.

Whenever DDWA makes an adverse determination and delay would jeopardize the covered person's life or materially jeopardize the covered person's health, DDWA shall expedite and process either a written or an oral appeal and issue a decision no later than seventy-two hours after receipt of the appeal. If the treating Licensed Professional determines that delay could jeopardize the eligible person's health or ability to regain maximum function, DDWA shall presume the need for expeditious review, including the need for an expeditious determination in any independent review consistent with applicable regulation.

### **If You Have a Question Regarding Your Claim:**

You may call the DDWA Customer Service Department at 1-800-554-1907.

### **WEA Claim Review**

In the event the claim Appeal is denied, the letter shall also include notice of the WEA claim review process noted below. In addition to the above review by the Appeals Committee, at any point in time after a claim for services rendered has been denied, the patient can Appeal the denied claim to the WEA Benefit Services Advisory Board.

The Board shall conduct a hearing at which the participant shall be entitled to present his or her position and any evidence in support thereof, and the Board will determine if additional benefits should be provided, to the extent there are WEA funds available to cover such additional benefits. Thereafter, the Board shall issue a written decision affirming, modifying or setting aside the former action. For more information on the WEA claim review, you may contact Aon Hewitt at (206) 467-4646.

Furthermore, any costs incurred in connection with claim Appeals such as attorney's fees, travel expenses and so forth are not covered, nor will the Board have access to dental information without the written permission of the Enrollee.

### **Subrogation**

Based on the following legal criteria, subrogation means that if you receive this Plan's benefits for an injury or condition possibly caused by another person, you must include in your insurance claim or liability claim the amount of those benefits. After you have been fully compensated for your loss any money recovered in excess of full compensation must be used to reimburse DDWA. DDWA will prorate any attorneys' fees against the amount owed.

To the extent of any amounts paid by DDWA for a covered person on account of services made necessary by an injury to or condition of his or her person, DDWA shall be subrogated to his or her rights against any third party liable for the injury or condition. DDWA shall, however, not be obligated to pay for such services unless and until the covered person, or someone legally qualified and authorized to act for him or her, agrees to:

- Include those amounts in any insurance claim or in any liability claim made against the third party for the injury or condition;
- Repay DDWA those amounts included in the claim from the excess received by the injured party, after full compensation for the loss is received;
- Cooperate fully with DDWA in asserting its rights under the contract, to supply DDWA with any and all information and execute any and all instruments DDWA reasonably needs for that purpose.

Provided the injured party is in compliance with the above, DDWA will prorate any attorneys' fees incurred in the recovery.

### **Your Rights and Responsibilities**

At DDWA our mission is to provide quality dental benefit products to employers and employees throughout Washington through the largest network of participating dentists in the state of Washington. We view our benefit packages as a partnership between DDWA, our subscribers and our participating member dentists. We would like to take a moment and share our views of the rights and responsibilities that make this partnership work.
