* New Benefit

* Health Start for Kids Benefit

Take your kids to the dentist and services are covered at 100%. That means no out-of-pocket costs, no deductible and no maximum to consider for cleanings, exams, fillings and crowns. Once your child turns 15, they will transfer to the standard plan design.

Get the most from your benefits!

Create a MySmile® account

It gives you secure, 24/7 access to your ID card, benefits information, out-of-pocket cost estimates, and more! Our “Find your member ID” tool makes registration easy. Visit DeltaDentalWA.com to create your account.

Choose an in-network dentist

Your plan gives you access to the Delta Dental PPOSM network. Your benefits go farthest when you visit a Delta Dental PPO dentist which gives you the most bang for your buck.

If you see a NON-Delta Dental PPO dentist, you won’t maximize your benefits. Your annual maximum won’t go as far and you’ll likely have greater out-of-pocket costs.

Visit your dentist regularly

Your plan covers preventive care visits each year. Regular cleanings and check-ups are essential to keeping your smile healthy and preventing painful, expensive problems down the road.

Get out-of-pocket cost estimates

Knowing your cost upfront helps you and your dentist plan treatments to maximize your benefits.

MySmile Cost GenieSM gives you instant, cost estimates. It’s great for basic treatments like fillings. Simply sign in to MySmile account to get your personalized estimate.

When you need extensive treatment, like a crown, ask your dentist for a “Predetermination.” You’ll get a **Confirmation of Treatment and Cost** from us. It details your dentist’s treatment plan, what your benefits cover, and how much you may owe your dentist for the treatment.
