

Delta Dental Family— Washington Family

Washington Family is a qualified dental plan tailored to meet the needs of adults and families. It offers preventive-focused coverage for adults (ages 19+) and comprehensive coverage for children* (ages 0 to 18).

Adult plan benefits include:

- > **100% coverage for exams, cleanings, x-rays and fluoride, with no deductible**
- > 50% coverage for fillings and treatment of gums, with \$50 deductible
- > \$1,000 annual maximum benefit per enrolled adult
- > No waiting periods

Pediatric plan benefits include:

- > **100% coverage for exams, cleanings, x-rays and fluoride, with no deductible**
- > 70% coverage for restorative services
- > 50% coverage for major services
- > \$85 deductible for restorative and major services
- > Low annual out-of-pocket maximums — you won't pay more than \$350 per child per year, limited to \$700 for 2 or more children
- > No waiting periods

Please view the summary of benefits for dental coverage for more information.

* A child can be your dependent until they are 26. When your child turns 19, they are no longer eligible for the pediatric benefits of this plan and will move to the adult benefits.

We also offer:

- > The largest dental network so it's easy to see your favorite dentist
- > Easy-to-use, secure online tools to help you understand and use your coverage
- > User-friendly website allows you to access personalized information on any mobile device or PC, anytime you need it
- > Hassle-free claims processing and helpful, local customer service representatives
