Here's some important information to help you use your benefits:

Finding a participating dentist

Under your plan, you can choose any dentist from the Delta Dental PPO℠ or Delta Dental Premier® network. You can find a participating, in-network, dentist in your area by visiting DeltaDentalWA.com/Boeing and using our Find a Dentist tool. Select the Delta Dental PPO network to filter your search results.

The advantages of seeing a Delta Dental PPO dentist

We encourage you to see a Delta Dental PPO network dentist because they provide services at discounted rates and file all claims paperwork for you. PPO dentists receive payment based on their pre-approved, discounted PPO fees and they cannot charge you more than these fees. You're only responsible for your stated deductibles, coinsurance and/or amounts in excess of the plan maximums. When you select a dentist who is part of the Delta Dental PPO network, your benefits will be paid at a higher level and your out-of-pocket expenses may be lower.

Delta Dental Premier dentists — (non-PPO)

Delta Dental Premier dentists are participating dentists but are not part of the Delta Dental PPO network. If you see a Premier dentist your out-of-pocket costs may be higher. Premier dentist receive payment based on their pre-approved fees with Delta Dental of Washington and they cannot charge you more than those fees. You're only responsible for your stated deductibles, coinsurance and/or amounts in excess of the program maximums.

Visiting your participating, in-network, dentist

Be sure to tell your dentist you're covered by Delta Dental of Washington and give them your member identification number, plan name and group number.

Visiting a non-participating, out-of-network, dentist

You are not limited to using a Delta Dental network dentist. You may use any licensed dentist. If you choose a non-participating dentist, you will be responsible to have the dentist complete your claim forms and to ensure that the claims are sent to us. Claim payments will be based on actual charges or our maximum allowable fees for non-participating dentists, whichever is less. You're then responsible for any balance remaining. Unlike our participating dentists, we have no control over non-participating dentists' charges or billing procedures.

Confirmation of Treatment and Cost (Formerly called Predeterminations)

If you are considering extensive treatments such as crowns, oral surgery, periodontics or prosthodontics, we recommend you ask your dentist to request a predetermination from us. We will process the request and provide you and your dentist with a Confirmation of Treatment and Cost (Confirmation). The Confirmation will show you what procedures will be covered and your expected financial responsibility. Confirmations are based on the treatment plan submitted by your dentist and the covered dental benefits available to you at the time the Confirmation is issued. Confirmations are estimates, not guarantees of payment.
