Here's some important information to help you use your benefits:

Finding a Delta Dental Premier dentist

Finding an in-network dentist is easy. Visit DeltaDentalWA.com/Boeing and use our Find a Dentist tool. Remember to select the Delta Dental Premier network to filter your search results.

The advantages of seeing a Delta Dental Premier dentist

We encourage you to see a Delta Dental network dentist because they provide services at discounted rates and file all claims paperwork for you. We will pay our portion and you're only responsible for your stated deductibles, or amounts in excess of the plan maximums. **Payment is based on the SPEEA fee schedule with Delta Dental.** In most cases, you will experience the greatest out-of-pocket savings if you choose a dentist from the Delta Dental network.

Visiting your participating, in-network, dentist

Be sure to tell your dentist you're covered by Delta Dental of Washington and give them your member identification number, plan name and group number.

Visiting a non-participating, out-of-network, dentist

You are not limited to using a Delta Dental network dentist. You may use any licensed dentist. If you choose a non-participating dentist, you will be responsible to have the dentist complete your claim forms and to ensure that the claims are sent to us. Claim payments will be based on actual charges or our maximum allowable fees for non-participating dentists, whichever is less. **Payment is based on the SPEEA fee schedule with Delta Dental.** You're then responsible for any balance remaining after we pay. Unlike our participating dentists, we have no control over non-participating dentists' charges or billing procedures.

Confirmation of Treatment and Cost (Formerly called Predeterminations)

If you are considering extensive treatments such as crowns, oral surgery, periodontics or prosthodontics, we recommend you ask your dentist to request a predetermination from us. We will process the request and provide you and your dentist with a Confirmation of Treatment and Cost (Confirmation). The Confirmation will show you what procedures will be covered, an estimate of what Delta Dental of Washington will pay and your expected financial responsibility. Confirmations are based on the treatment plan submitted by your dentist and the covered dental benefits available to you at the time the Confirmation is issued. Confirmations are estimates, not guarantees of payment.
