Eligibility and Enrollment - When Coverage Begins

Eligibility Requirements

The Contractholder is responsible for establishing eligibility and reporting enrollment to Us. We process enrollment as reported. You are eligible to enroll if You meet the eligibility requirements defined by the Contractholder.

Eligibility is determined by the Contractholder. We do not make eligibility determinations. We will update Our files to record

the eligibility information provided by the Contractholder or its designee.

Your Dependents are eligible to enroll on the same date that You enroll. Later-acquired Dependents become eligible as soon as they acquire dependent status.

Eligibility may be delayed for young children, under the age of 4, until the beginning of any Contract Term immediately following the child's birthday. For coverage to begin on young children, the eligibility notice and additional Premium payment must be received by Us within 30 days of the beginning of the Contract Term immediately following the child's birthday.

Children/students must be dependent upon You for support and maintenance.

There is no coverage under this Plan for Dependents on active military duty.

Medicare eligibility will not affect Your eligibility or Your Dependent's eligibility, if applicable.

Overage Children

An overage Dependent child may be eligible if:

- The child is incapable of self-sustaining employment because of a physically or mentally disabling injury, illness or condition that began prior to reaching the limiting age;
- The child is chiefly dependent on the Primary Enrollee for support; and
- Proof of disability is provided within 31 days of request. Proof of disability will not be required more than one (1) time per year following a two year period after the Dependent reaches the limiting age. Eligibility will continue as long as the Dependent relies on the Primary Enrollee's for support because of a physically or mentally disabling injury, illness or condition that began before the Dependent reaches the limiting age.

Enrollment Requirements

If the Contractholder is responsible for Your Premium, coverage will begin on the Contract's Effective Date.

If You are responsible for Your Premium:

- You must enroll within 31 days after the date You become eligible or during an Open Enrollment Period.

- All Dependents must be enrolled within 31 days after they become eligible or during an Open Enrollment Period or Special Enrollment Period.
- If You elect Dependent coverage, You must enroll all of Your Dependent Enrollees for coverage.

An exception for enrolling Dependent Enrollees within 30 days after they become eligible applies for certain young children. The eligibility date for such children may be delayed as outlined in the *Eligibility Requirements* section.

You:

- Must pay Premiums in the manner elected by the Contractholder and approved by Us, and
- May not drop coverage and may only make coverage changes during an Open Enrollment Period or Special Enrollment Period because of a qualifying status change.

A Dependent may not be enrolled under more than one Primary Enrollee.

A child who is eligible as a Primary Enrollee and a Dependent can be insured under the Contract as a Primary Enrollee or as a Dependent Enrollee but not both at the same time.

Special Enrollment Periods - Enrollment Changes

After Your Effective Date, You may change Your enrollment during an Open Enrollment Period or during a Special Enrollment Period as a result of a qualifying status change. Qualifying status changes include, but not be limited to, the following events:

- Marital status (Examples include, but are not limited to: marriage, divorce, legal separation, annulment or death);
- Number of Dependents (a child's birth, adoption of a child, placement of child for adoption, addition of a step or foster child or death of a child);
- Dependent child ceases to satisfy eligibility requirements;
- Employment status (change in Your or Your Dependent's employment status);
- Residence (You move);
- Court order requiring Dependent coverage;
- Loss of other group coverage;
- Any other current or future election changes permitted by Internal Revenue Code Section 125; or
- Any other changes specified by applicable law or regulation.

Premiums

You are required to contribute towards the cost of Your coverage and the cost of Your Dependent's coverage, if applicable.

How to Use the DeltaCare USA Plan

Choice of Contract Dentist

We will provide Your Plan with Contract Dentists at convenient locations. Upon enrollment, You must select a Contract Dentist from the list of Dentists provided at deltadentalins.com. If the Contract Dentist You selected becomes unavailable, We will request You make a selection to another Contract Dentist. If You fail to select a Contract Dentist, the first Contract Dentist You visit will become Your selected Dentist following Your first routine visit.

You may change Your Contract Dentist online or by contacting Customer Service at 800-422-4234. Selections made by the 15th of the month are effective immediately. Selections made on or after the 16th of the month will be effective on the first day of the following month.

We will request You select another Contract Dentist provided Your Contract Dentist:

- Is no longer taking further enrollment;
- No longer participates in the Plan; or
- Requests, for good cause, that You or Your Dependents select another Contract Dentist.

Any dental treatment in progress must be completed before You change to another Contract Dentist. For example, dental treatment may include:

- Partial or full dentures for which final impressions have been taken.
- All work on any tooth upon which work has started (such as completion of root canals in progress and delivery of crowns when teeth have been prepared).

Coordination of Care and Referrals

Services for Benefits must be provided by Your Contract Dentist. Specialist Services, obtained from a Contract Orthodontist or Contract Specialist (not including pediatric Dentists), must be referred by Your Contract Dentist.

We have no obligation or liability with respect to services provided by Out-of-Network Dentists, except for Emergency Services or

Specialist Services referred by a Contract Dentist and authorized by Us. All authorized Specialist Services claims will be paid less any applicable Copayments.

Contract Dentist Termination

If Your Contract Dentist no longer participates in this Plan, the Contract Dentist will complete all treatment in progress as described above.

Upon termination of a Contract Dentist's agreement, We will be liable for the completion of dental treatment begun prior to the termination of the agreement. For example, the terminating Contract Dentist will complete:

- A partial or full denture for which final impressions have been taken; or
- All work on any tooth upon which work has started (such as completion of root canals in progress and delivery of crowns when teeth have been prepared).

If, for any reason, the Contract Dentist is unable to complete treatment, We will make reasonable and appropriate provisions for the completion of such dental treatment by another Contract Dentist.

Benefits, Limitations and Exclusions

This Plan provides Benefits and any applicable Copayments, deductibles, annual maximums and waiting periods as shown in the attached *Schedules*. Only services, supplies or procedures listed in the *Schedules* and deemed appropriate by Your Contract Dentist are covered under this Plan. Contract Dentists may provide services directly or through associated Dentists, technicians or hygienists who may lawfully perform the services.

Copayments and Other Charges

To keep Your Plan affordable, this Plan includes certain cost-sharing features. First, not all dental services or procedures may be included under Your Plan. If the procedure is not listed in the *Schedules*, it is not covered. You will be responsible to pay the Dentist the full charge for any service not included in Your Plan. Certain procedures require You to pay a Copayment. Copayments are listed in the *Schedules* and must be paid directly to the treating Dentist. Any charges for broken appointments and visits after normal visiting hours, if covered, are also listed in the *Schedules*.

Should We fail to pay a Contract Dentist, You will not be liable to that Dentist for any sums owed by Us. If You have not received Authorization for treatment from an Out-of-Network Dentist, and We fail to pay that Out-of-Network Dentist, You may be liable to that Dentist for the cost of services. For further clarification, see *"Emergency Services."*

Emergency Services

If you have a dental emergency, You should contact Your Contract Dentist whenever possible. Contract Dentists maintain a twenty-four (24) hour Emergency Services system seven (7) days a week. If You are unable to reach Your Contract Dentist for Emergency Services, contact Customer Service at 800-422-4234 for assistance in obtaining urgent care.

You may seek treatment from a Dentist other than Your Contract Dentist with no referral during non-business hours, or if You require Emergency Services and are 35 miles or more from Your Contract Dentist. You are only responsible for the Copayment(s) for any treatment received relating to the emergency.

Benefits for Emergency Services not provided by a Contract Dentist are limited to a maximum of \$100.00 per emergency, per Enrollee, less the applicable Copayment. If this maximum is exceeded, You are responsible for any charges for services by a Dentist other than Your Contract Dentist. You must return to Your Contract Dentist for any necessary follow-up care.

Specialist Services

Specialist Services for oral surgery, endodontics, orthodontics, or periodontics must be referred by Your Contract Dentist.

If You require Specialist Services and there is no Contract Orthodontist or Contract Specialist to provide these services within 35 miles of Your home, the Contract Dentist must receive Authorization from Us to refer You to an Out-of-Network orthodontist or Out-of-Network specialist to provide the Specialist Services. Specialist Services performed by an Out-of-Network orthodontist or Out-of-Network specialist that are not authorized by Us are not covered.

Claims for Reimbursement

Claims for covered Emergency Services or Specialist Services should be submitted for payment within 90 days of receiving treatment.

Claims must be received within one (1) year of the treatment date.
The address for claims submission is:

Claims Department
P.O. Box 1810
Alpharetta, GA 30023

Notice of Claim

In the case of Emergency or Specialist Services, written notice of claim must be given to Us within twenty (20) days after the occurrence or commencement of any loss covered by the Contract, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the You or the beneficiary to Claims Department, P.O. Box 1810, Alpharetta, GA 30023, or to any other authorized agent, with information sufficient to identify the insurer, will be deemed notice to Us.

Claim Forms

We, upon receipt of a notice of claim, will furnish to You such forms as are usually furnished by it for filing proofs of loss. If claim forms are not furnished within 15 days after the giving of notice, You will be deemed to have complied with the requirements of the COC as to proof of loss upon submitting, within the time fixed in this COC for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

Time Payment of Claims

Indemnities payable for any loss other than loss for which this Contract provides any periodic payment, will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnities for loss for which this Contract provides periodic payment will be paid no less frequently than monthly and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

Payment of Claims

Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity will be payable to the estate of the insured. Any other accrued indemnities unpaid at Your death may, at Our option, be paid either to such beneficiary or to such estate. All other indemnities will be payable to You.

Coordination of Benefits

If You or Your Dependents are covered by any other dental plan and receive a service covered by this Plan and the other dental plan, Benefits will be coordinated. If this plan is the "primary" plan, We will not reduce Benefits. If this plan is the "secondary" plan, We may reduce Benefits so that the total Benefits Paid or provided by all plans do not exceed 100% of total allowable expense.

But if this plan is the "secondary" plan, We determine Benefits after those of the primary plan and will pay the lesser of the amount that We would pay in the absence of any other dental benefit coverage or Your total out-of-pocket cost under the primary plan for Benefits covered under Your Plan.

In Order to determine which Plan is primary, We will use the following rules.

- The plan covering You as an employee or Primary Enrollee is primary over a plan covering You as a dependent.
- The plan covering You as an employee is primary over a plan covering You as a dependent; except that if You are also a Medicare beneficiary, and as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is:
 - * Secondary to the plan covering You as a dependent; and
 - * Primary to the plan covering You as other than a dependent (e.g. a retired employee), then the Benefits of the plan covering You as a dependent are determined before those of the plan covering You as other than a dependent.
- Except as stated in the immediate above paragraph, when this plan and another plan cover the same child as a dependent of different persons, referred to as parents:
 - * The Benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year; but
 - * If both parents have the same birthday, the Benefits of the plan covering one parent longer are determined before those of the plan covering the other parent for a shorter period of time.
 - * However, if the other plan has no birthday rule, but has a rule based on the gender of the parent, and as a result, the plans do not agree on the order of Benefits, the rule in the other plan determines the order of Benefits.
- In the case of a dependent child of legally separated or divorced parents, the plan covering the child as a dependent of the parent with legal custody or as a dependent of the custodial parent's

- Spouse (i.e. step-parent) will be primary over the plan covering the child as a dependent of the parent without legal custody.
- If there is a court decree establishing financial responsibility for the child's health care expenses, the Benefits of a plan covering the child as a dependent of the parent with financial responsibility will be determined before the Benefits of any other policy covering the child as a dependent child.
 - If the specific terms of a court decree state that the parents will share joint custody without stating that one of the parents is responsible for the child's health care expenses, the plans covering the child will follow the order of Benefit determination rules outlined above.
 - The Benefits of a plan covering You as an employee who is neither laid-off nor retired are determined before those of a plan covering You as a laid-off or retired employee. The same holds true if You are a dependent of a Primary Enrollee as a retiree or an employee. If the other plan does not have this rule, and as a result, the plans do not agree on the order of Benefits, this rule is ignored.
 - If Your coverage is provided under a right of continuation pursuant to federal or state law also is covered under another plan, the following will be the order of benefit determination.
 - * First, the Benefits of a plan covering the Enrollee as an employee or Primary Enrollee (or the Primary Enrollee's dependent).
 - * Second, the Benefits under the continuation coverage.
 - * If the other plan does not have the rule described above, and if, as a result, the plans do not agree on the order of Benefits, this rule is ignored.
 - If none of the above rules determines the order of Benefits, the Benefits of the plan covering an employee longer are determined before those of the plan covering that insured person for the shorter term. When determination cannot be made in accordance with the rules above, the Benefits of a plan that is a medical plan covering dental as a Benefit will be primary to a standalone dental plan.

Enrollee Complaint Procedure

We will provide notification when any dental services or claims are denied, in whole or in part, stating the specific reason or reasons for the denial. If You have any complaint regarding eligibility, the denial of dental services or claims, Our policies, procedures or operations, or the quality of dental services performed by a Contract Dentist, You may call Customer Service at 800-422-4234 or a written complaint may be submitted to:

Quality Management Department

P.O. Box 1860
Alpharetta, GA 30023-1803

Written complaints must include, at a minimum the following information:

- Patient's name
- Primary Enrollee's name, address, telephone number and identification number
- Contractholder's name
- Treating Dentist's name and location.

Adverse Determinations

Utilization review decisions are conducted by licensed Dentists in accordance with standards developed with input from a Dentist of the appropriate specialty. We use written medically/dentally acceptable screening criteria and review procedures that are established and periodically evaluated and updated with appropriate involvement from Dentists, including practicing Dentists, and other health care providers.

Pre-Authorization (Pre-Service) and Concurrent Reviews

We do not condition receipt of a benefit, in whole or in part, on approval of the benefit in advance of obtaining dental care. Additionally, We do not conduct concurrent review relating to continued or extended dental services, or additional services for an insured undergoing a course of continued treatment.

Unlike medical coverage, it is unlikely that a life-threatening situation should arise, or even more unlikely due to the nature of dental care that You would need to receive Authorization for an extended hospital stay or medical treatment. If You must seek emergency dental treatment, You do not need to obtain pre-Authorization to seek services.

We do not make Adverse Decisions on urgent or emergency dental services

Retrospective (Post-Service) Reviews

Adverse Decisions are rendered after dental services are delivered.

Internal Review Procedure: Adverse Determinations

"Necessary information" includes the results of any face-to-face clinical evaluation or second opinion that may be required.

For complaints involving an adverse benefit determination (e.g. a denial, modification or termination of a requested benefit or claim), You or Your authorized representative must file a request for review, referred to as a complaint, with Us within 180 days after receipt of the adverse determination. Our review will take into account all information, regardless of whether such information was submitted or considered during the initial benefit determination. The review will be conducted by a person other than the individual who made the original benefit determination, or the individual's subordinate.

Upon request and free of charge, You or Your authorized representative will be provided with copies of any pertinent documents that are relevant to the benefit determination, a copy of any internal rule, guideline, protocol and/or explanation of the scientific or clinical judgment if relied upon in making the benefit determination.

If the review of a denial is based, in whole or in part, on a lack of medical (dental) necessity, experimental treatment or a clinical judgment in applying the terms of the Plan, We will consult with a Dentist who has appropriate training and experience. If any consulting Dentist is involved in the review, the identity of such consulting Dentist will be made available upon request.

Within 10 business days of the receipt of any complaint, including adverse benefit determinations the quality management coordinator will provide You or Your authorized representative an acknowledgment of receipt of the complaint. Certain complaints may require that You be referred to a Dentist for a clinical evaluation of the dental services provided.

We will make a determination, in writing, within 30 days of receipt of all necessary information relating to the complaint or will provide a written explanation if additional time is required to report on the complaint. A review of the decision will be undertaken if a written request for an appeal of the determination is made within 30 days of the date of the written determination. We will undertake a full and fair review upon request. We may require additional documents in making such a review. A written response will be provided to You or Your authorized representative within 30 days after receipt of

Your appeal and all necessary information or a written explanation if additional time is required to issue the results.

Reconsideration

A treating Dentist has the opportunity to request, on Your behalf, in the case of an initial decision, reconsideration of an adverse determination. The reconsideration must occur within one (1) working day of the receipt of the request and must be conducted between the Dentist rendering the service and the reviewer who made the adverse determination or a clinical peer designated by the reviewer if the reviewer does not resolve the difference of opinion, the adverse determination may be appealed by You or the Dentist on Your behalf. Reconsideration is not a prerequisite to an appeal of an adverse determination.

The Missouri Department of Commerce Insurance ("Department") is responsible for regulating Prepaid Dental Plans. Renewal and Termination of Benefits

This Plan renews on the anniversary of the Contract unless We provide notice of a change in Premiums or Benefits and the Contractholder does not accept the change. Your Benefits will terminate:

- As of the date that this Plan is terminated,
- You cease to be eligible under the terms of this Plan, or
- Your enrollment is canceled under the terms of this Plan.

We are not obligated to continue to provide Benefits to You or Your Dependents except for completion of dental treatment started when this Plan was in effect.

Cancellation of Enrollment

Subject to the *Continuation of Coverage under USERRA* and *Continuation of Coverage under COBRA* provisions, Your enrollment may be canceled, or renewal of enrollment refused, in the following events:

Immediately:

- Upon loss of eligibility as described in this COC; or
- If You engage in conduct detrimental to safe operations and the delivery of services while receiving services from a Contract Dentist.

Upon 15 days written notice if:

- The Premiums are not paid by, or on behalf of You, on the date due. However, You may continue to receive Benefits during the Grace Period and may be reinstated during the term of the Contract upon payment of any unpaid Premium; or
- You knowingly commit or permit another person to commit fraud or deception in obtaining Benefits under this Plan.

Upon 30 days written notice if:

- the Contract is terminated or not renewed;
- You fail to pay Copayments. However, You may be reinstated during the term of the Contract upon payment of all delinquent charges; or
- A satisfactory dentist-patient relationship fails to be established with multiple Contract Dentists. We must show that We have, in good faith, provided You with an opportunity to select an alternative Contract Dentist. If You establish a history of unsatisfactory relationships, We will notify You in writing, at least 30 days in advance, that We consider the dentist-patient relationship to be unsatisfactory. We will also specify the changes that are necessary in order to avoid cancellation and show that You failed to make these changes.

The Contractholder will provide You with 15 days advance notice prior to cancellation or discontinuance of the Plan.

Cancellation of Your enrollment will automatically cancel the enrollment of any of Your Dependent Enrollees.

General Provisions

Conformity With Prevailing Laws

All legal questions about the Contract will be governed by the state where the Contract was entered into and is to be performed. Any part of the Contract which conflicts with state or federal law is hereby amended to conform to the minimum requirements of such laws.

Continuation of Coverage under USERRA

As required under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), if you are covered on the date your USERRA leave of absence begins, you may continue dental coverage for yourself and any covered dependents. Continuation of coverage under USERRA may not extend beyond the earlier of:

- Twenty-four (24) months, beginning on the date the leave of absence begins, or;
- The date You fail to return to work within the time required by USERRA.

For USERRA leave that extends beyond 31 days, the Premium for continuation of coverage will be the same as for COBRA coverage.

Continuation of Coverage under COBRA

The federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) provides a way for You to continue coverage for a period of time when employer coverage is lost. COBRA does not apply to all companies, only those that meet certain size guidelines. See Your Human Resources Department or website for complete information. We do not assume any of the obligations required by COBRA of the Contractholder or any employer (including the obligation to notify potential beneficiaries of their rights or options under COBRA).

Entire Contract; Changes

This Contract, including the COC, Schedules and any Attachments, is the entire agreement between the Parties. No agent has authority to change or waive any of its provisions. Changes are not valid unless approved by one of Our executive officers.

Incontestability

After this Contract has been in force for 2 years from the Effective Date, no statement made by the Contractholder will be used to void this Contract. No statement by an employee or You with respect to Your insurability will be used to reduce or deny a claim or contest the validity of insurance for You after that person's coverage has been in effect 2 years or more during the Your lifetime, unless the statement is contained in a written instrument signed by the person making such statement.

No claims for loss incurred or disability commencing after 2 years from the date of issue of the Contract will be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss existed prior to the Effective Date of this Contract.

Legal Actions

No action at law or in equity will be brought to recover on the Contract prior to expiration of 60 days after proof of loss has been filed in accordance with requirements of the Contract, nor will an action be brought at all unless brought within 3 years from expiration of the time within which proof of loss is required by the Contract.

Misstatements on Application; Effect

In the absence of fraud or intentional misrepresentation of material fact in applying for or procuring coverage under the Contract, all statements made by You will be deemed representations and not warranties. No such statement will be used in defense to a claim, unless it is contained in a written application.

Processing Policies

The *Schedules* explain the services covered under the Plan. Contract Dentists, Contract Orthodontists and Contract Specialists use professional judgment to determine appropriate services for You. Benefits performed by Contract Dentists, Contract Orthodontists and Contract Specialists are provided subject to any Copayments. You may contact Our Customer Service at 800-422-4234 for information regarding the dental care guidelines for DeltaCare USA.

Severability

If any part of the Contract, this COC, Attachments or an amendment to any of these documents is found by a court or other authority to be illegal, void or not enforceable, all other portions of these documents will remain in full force and effect.

Strike, Lay-off and Leave of Absence

You will not be covered for any dental services received while on strike, lay-off or leave of absence, other than as required under the Family & Medical Leave Act of 1993 (FMLA) or other applicable state or federal law*.

*Your coverage is not affected if You take a leave of absence under the FMLA or other applicable state or federal law. If You are currently paying any part of the Premium, You may choose to continue coverage. If You do not continue coverage during the leave, coverage may be resumed upon their return to active work as if no interruption occurred.

Important: FMLA does not apply to all organizations, only those that meet certain size guidelines. Refer to Your Human Resources unit for complete information.

SCHEDULE B

Limitations and Exclusions of Benefits

Limitations

1. The frequency of certain Benefits is limited. All frequency limitations are listed in *Schedule A, Description of Benefits and Copayments*.
2. If You accept a treatment plan from the Dentist that includes any combination of more than six crowns, bridge pontics and/or bridge retainers, You may be charged an additional \$100.00 above the listed Copayment for each of these services after the sixth unit has been provided.
3. Placement of interim direct restoration is included in the fee for all covered Endodontic procedures (D3220-D3950) when done on the same date by the same Dentist/dental office.
4. The fee for removal of an indirect restoration is included in the fee for any subsequent restorative procedure.

6. Benefits provided by a pediatric Dentist are limited to children through age 13 less applicable Copayments. Exceptions for medical conditions, regardless of age limitation, will be considered on an individual basis.
7. Your cost for receiving orthodontic treatment when coverage is cancelled or terminated for any reason will be based on the Contract Orthodontist's submitted fee for the treatment plan. The Contract Orthodontist will prorate the amount for the number of months remaining to complete treatment. You make payment directly to the Contract Orthodontist as arranged.

8. Orthodontic treatment in progress is available to You, if at the time of Your original effective date, You are in active treatment started under Your previous group dental plan, as long as You continue to be eligible under the DeltaCare USA Plan. 13. Coverage for orthodontic treatment is limited to conventional orthodontic services, which includes clear aligner therapy (e.g., InvisalignTM and Sure SmileTM). We consider lingual brackets, clear (composite or ceramic) brackets to be specialized services. When treatment using lingual brackets or clear (composite or ceramic) brackets is provided, We will make an allowance for conventional orthodontic services. You are responsible for Your Copayment for the conventional orthodontic treatment plus the additional fees related to the specialized services (lingual brackets or clear brackets).
14. X-ray Limitations:

**APPENDIX ONE
NOTICE OF PROTECTION PROVIDED BY
MISSOURI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a *brief summary* of the Missouri Life and Health Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under Missouri law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Missouri law, with funding from assessments paid by other insurance companies. (For purposes of this notice, the terms “insurance company” and “insurer” include health maintenance organizations (HMOs).)

The basic protections provided by the Association are as follows:

- Life Insurance
 - \$300,000 in death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values
- Health Insurance
 - \$500,000 for health benefit plans
 - \$300,000 in disability insurance benefits
 - \$300,000 in long term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is as follows:

- \$300,000 in aggregate for all types of coverage listed above, with the exception of health benefit plans
- \$500,000 in aggregate for health benefit plans
- \$5,000,000 to one policy owner of multiple nongroup policies of life insurance, whether the policy owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons

“Health benefit plan” is defined in section 376.718, RSMo.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Missouri law.

Benefits provided by a long term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the basic life insurance policy or annuity contract to which it relates.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.moiga.org, or contact:

Insurance companies and agents are not allowed by Missouri law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance or HMO coverage. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Missouri law, then Missouri law will control.

Claimants have the right to bring a civil action under Section 502(a) of ERISA, after having exhausted the internal benefit determination process.
