Choose an in-network dentist

Your plan gives you access to the Delta Dental PPOSM network. Your benefits go farthest when you visit a Delta Dental PPO dentist which gives you the most bang for your buck.

If you see a non-Delta Dental PPO dentist, you won't maximize your benefits. Your annual maximum won't go as far and you'll likely have greater out-of-pocket costs.

Your plan covers preventive care visits each year. Regular cleanings and check-ups are essential to keeping your smile healthy and preventing painful, expensive problems down the road.

Get out-of-pocket cost estimates

Knowing your cost upfront helps you and your dentist plan treatments to maximize your benefits.
