

Delta Dental Individual – Washington Kids Plan

This Plan Overview page is issued and delivered in the state of Washington and is governed by Washington State laws, it is part of your Contract with us. It tells you important information about this Plan, which provides dental benefits to your children and is subject to the terms set forth in the policy.

Understand your plan

*This is your Plan Overview page. It shows your costs for this plan, and how much we pay for your treatment. **But this only tells you part of the story.** While this plan overview shows you the types of treatment we cover, it does not list specific procedures. For that, you need to look in your Policy document. That is where you will see which procedures are covered and which are not.*

This document is your Policy, which is a Contract. Please hold onto this document, as it has answers to many questions about your dental coverage including eligibility, enrollment, changes to enrollment, benefits and claims administration. The Plan Overview, which shows your costs for this plan and how much we pay for your treatment, is part of your Policy.

The application you filled out is also part of this Policy. If any part of the application is wrong, please notify DDWA. Wrong information may affect your child's coverage. If your answers are incorrect or untrue, we may have the right to deny benefits or rescind this Policy. It is a crime to knowingly provide false, incomplete, or misleading information for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of benefits.

Welcome to your Delta Dental Individual– Washington Kids Plan

Thank you for choosing our Delta Dental Individual– Washington Kids Plan. We hope you will take a few minutes to get familiar with this Policy. We set it up so you will have all the information you need right at your fingertips. If you ever need help beyond this Policy, call us at 800-526-8323, or visit our website at www.DeltaDentalWA.com.

This plan provides dental benefits for children through age 18.

Smile, you are covered.

Covered Dental Benefits

Pediatric (Kids) Benefits

The benefits listed below are covered for children through age 18 who are enrolled in this plan. These benefits are available only if they are performed by an individual legally authorized to perform services and when dentally appropriate as determined by the standards of generally accepted dental practice.

Pediatric Diagnostic Services	Covered at 100%
-------------------------------	-----------------

Diagnostic services help your child's Dentist determine what is happening inside their mouth. We pay 100 percent of the allowable expense for these services, and you do not have to pay your Deductible before we pay.

- **Routine diagnostic oral exams**
 - ◆ Covered twice per Benefit Period.
- **Comprehensive oral exams**
 - ◆ Covered once for the same Dentist for the entire time your child is on this plan. If your child changes Dentists, they are covered for a new comprehensive oral exam.
- **Limited or problem-focused oral exams**
- **Second opinions**
 - ◆ Covered as a limited oral exam
- **X-rays**
 - ◆ **Periapical**
 - ◆ **Single Bitewing**
 - ◆ **Bitewings (two or more images)**
 - Covered for one set for each Quadrant every 12 months.
 - ◆ **Occlusal intraoral**
 - Covered once every two years.
 - ◆ **Cephalometric**
 - Covered once every two years.
 - ◆ **Comprehensive series or panoramic**
 - Covered once every three years.

NOTE: When multiple x-rays are taken on the same day, with the exception of a panoramic x-ray, and the combined fees are more than a comprehensive series of x-rays, then all the x-rays taken on the same day will be considered a comprehensive series of x-rays for the purpose of payment and benefit Limitations.

- **Photographic images**
 - ◆ Covered only if needed to get a clear picture of the growth and development of your child's teeth, jaws and face.
- **Pulp vitality test**
- **Diagnostic casts**
 - ◆ Covered for orthodontic case studies on a case-by-case basis.

Covered Dental Benefits

These diagnostic services are not covered

- Consultations to evaluate slides taken by another provider.
- Diagnostic services and x-rays related to treatment for temporomandibular joints (the hinge part of your jaw).

Pediatric Preventive Services

Covered at 100%

Preventive services help keep your child's teeth healthy to prevent things like tooth decay and gum disease. Good preventive practices — such as visiting the Dentist twice a year, brushing twice a day and flossing — can mean fewer serious dental problems. We pay 100 percent of the allowable expense for these services, and you do not have to pay your Deductible before we pay.

- **Prophylaxis (cleaning)**
 - ◆ Covered twice in a Benefit Period.
- **Periodontal (gum) maintenance**
 - ◆ Covered once per Quadrant every 12 months.
- **Topical fluoride (fluoride rinse, foam, gel, fluoride varnishes, and disposable fluoride trays)**
 - ◆ Covered three times in a Benefit Period for children through age six.
 - ◆ Covered twice in a Benefit Period for children age six and older.
 - ◆ Covered three times every 12 months during orthodontic treatment.
 - ◆ Additional fluoride treatments are covered when dentally appropriate.
- **Oral hygiene instruction**
 - ◆ Covered twice in a Benefit Period for children through age eight.
 - ◆ This is not covered if given during the same visit as a cleaning.
- **Space maintainers (fixed unilateral or fixed bilateral)**
 - ◆ Covered one time for each of the four sections (Quadrants).
 - ◆ Replacement of space maintainers are covered when dentally necessary.
 - ◆ Includes removing and re-cementing.
- **Sealants**
 - ◆ Covered once per tooth every two years for posterior teeth that have no restorations (includes preventive resin restorations) on the biting surface.
- **Preventive resin restorations**
 - ◆ Covered once every two years on Molar teeth with no restorations on the biting surface.
- **Application of caries arresting medicament**
 - ◆ Covered twice per tooth per Benefit Period.

These preventive services are not covered

- Preventive resin restorations completed within two years of a sealant or filling on the same tooth.

Covered Dental Benefits

Pediatric Adjunctive Services

Covered at 70%

Adjunctive services play a supporting role in your child's treatment. For example, getting local anesthesia (often called Novocain) to numb your child's mouth so they will not feel any pain is a type of adjunctive service. We pay 70 percent of the allowable expense for these services after you pay your Deductible.

- **Local anesthesia**
 - ◆ Blocking pain in a specific area as a stand-alone procedure.
- **General anesthesia and intravenous moderate sedation**
 - ◆ Covered when your child is having endodontic, periodontic, or oral surgery services that are covered by this plan.
 - ◆ Covered for children through age eight, or for physically or developmentally disabled children, when Medically Necessary for services covered by your plan.
 - ◆ For children ages nine through 18, deep sedation or general anesthesia services are covered on a case-by-case basis.
 - ◆ Covered for either general anesthesia or intravenous moderate sedation, but not both on the same day.
- **Nitrous oxide**
 - ◆ Covered once per day.
- **Emergency treatment for dental pain**
- **Dentist out-of-office visits**
 - ◆ Professional visits to nursing homes, hospitals, and emergency rooms.
 - ◆ Covered twice per facility, per Dentist while your child is enrolled in this plan.
 - ◆ Covered for one visit per day to a hospital to care for your child, inclusive of seeing them in the emergency room.
- **Behavior management**
- **Follow-up treatment**
 - ◆ Related to complications after covered surgery.
 - ◆ Services needed after oral surgery, called post-operative care and treatment, are considered part of the surgery and not billable separately.
 - ◆ Treatment for complications after surgery are also considered part of the surgery if given within 30 days of the surgery.
- **Occlusal guard (night guard)**

These adjunctive services are not covered

- General anesthesia or intravenous sedation are not covered for routine procedures needed after an operation.

Pediatric Restorative Services

Covered at 70%

Restorative services include treatment for cavities. We pay 70 percent of the allowable expense for these services after you pay your Deductible.

- **Amalgam (silver) and resin-based composite (tooth-colored) fillings**
 - ◆ Covered for Primary and Permanent Teeth.
 - ◆ Covered once every two years on the same surface of the same tooth.

Covered Dental Benefits

- ◆ Covered only when decay is visible, a fracture causes a loss of a significant part of the tooth (missing cusp), or a fracture causes significant damage to an existing filling.
- ◆ Two fillings to the biting surface of the top Molars are covered.
- ◆ Permanent back teeth can have fillings on a maximum of five surfaces per tooth, except for upper Molars which can have fillings on a maximum of six surfaces per tooth.
- ◆ Permanent front teeth can have resin-based fillings on a maximum of six surfaces.

These restorative services are not covered

- Fillings for anything other than decay or fracture.
- Polishing or reshaping fillings.
- Overhang removal.
- Fillings placed in the same tooth within two months of application of a caries arresting medicament.

Pediatric Crowns

Covered at 50%

Crowns can have two meanings in dentistry. Dentists call the part of your teeth you can see when you smile the crown. But most people think of a crown as an artificial covering that gets cemented into your mouth over a tooth. Artificial crowns cover teeth that have been severely damaged. In this section, we are talking about the second type of crown — the artificial covering. Your plan also covers services that make the tooth more stable for a crown — such as building up the core of the tooth or inserting a pin to hold the crown in place. However, the Limitations are technical. Bring this book and ask your child's Dentist if their buildup meets these requirements. Payment for crowns is based on the date they are put in your child's mouth — called the Seat Date. We pay 50 percent of the allowable expense for these services after you pay your Deductible.

- **Stainless steel crowns or prefabricated crowns**
 - ◆ Covered for Primary Teeth and Permanent Teeth, except for wisdom teeth.
 - ◆ Covered once per tooth every two years.
- **Permanent crowns**
 - ◆ Covered once per tooth every five years for children ages 12 through 18.
- **Re-cementing permanent crowns**
- **Core buildups, including pins, cast post and core, or prefabricated post and core**
 - ◆ Covered only on Permanent Teeth when performed in conjunction with a crown or retainer related procedures.
 - ◆ Covered once per tooth every five years.
 - ◆ Covered for a posterior (back) tooth when one cusp is missing down to, or closer than, 2mm from the gum tissue in preparation for a restorative crown.
 - ◆ Covered for an anterior (front) tooth when more than 1/2 of the mesial-distal width of the incisal edge is missing down past the junction of the incisal and middle third of the tooth in preparation for a restorative crown.
 - ◆ Covered in an endodontically treated tooth only if the above criteria are met.
- **Dental implant crown and abutment procedures**
 - ◆ Covered once per tooth every seven years.

Covered Dental Benefits

- **Repair of a crown, implant-supported prosthesis, or abutment**
 - ◆ Covered once per tooth while your child is enrolled in this plan.
 - ◆ Repair of an implant-supported prosthesis or abutment (bridge) are limited to one per tooth, for the entire time you are on this plan.

These crown services are not covered

- Permanent crowns for children under age 12.
- Crowns when there is no sign of decay or overt pathology.
- Crowns for weakened cusps, or for fractures with no decay or pain.
- Crowns placed to keep removable partial dentures in place.
- Core buildups, including pins, cast post and core, or prefabricated post and core done within two years of a filling on the same tooth.
- A core buildup is not billable with placement of an onlay, 3/4 crown, or veneer.
- Copings – thin coverings that fit over teeth to hold other dental restorations — like fillings — in place.
- Inlays.

Pediatric Oral Surgery

Covered at 70%

When you think of surgery, you usually think of hospitals. But in dentistry, oral surgery includes many common procedures that happen at the Dentist's office — such as removing teeth and treating diseases. We pay 70 percent of the allowable expense for these services after you pay your Deductible.

- **Routine extractions**
- **Oral and maxillofacial surgical extractions**
 - ◆ Extraction of impacted teeth.
 - ◆ Alveoloplasty and vestibuloplasty – surgeries to repair and reshape the jaw.
 - ◆ Root removal.
- **Treating traumatic injuries or diseases in the mouth**
- **Surgical incision and drainage**
- **Frenectomy or frenuloplasty**
- **Preparing the mouth for the insertion of dentures**

These oral surgery services are not covered

- Filling in a hole in the jawbone after a tooth or implant is removed - called bone replacement grafting - for ridge preservation.
- Bone grafts of any kind to the upper or lower jaws unless they are needed to treat periodontal (gum) disease.
- Tooth transplants – re-implanting or relocating a tooth in the jaw.
- Generate osseous filling – placing materials in a hole in the jawbone to regrow bone after a tooth or implant is removed.

Covered Dental Benefits

Pediatric Periodontics

Covered at 70%

Periodontics is the part of dentistry that deals with the structures surrounding and supporting the teeth. In other words, it means things as simple as removing plaque from your teeth or as complicated as surgical gum treatments. We pay 70 percent of the allowable expense for these services after you pay your Deductible.

- **Surgical and nonsurgical treatment of tissues supporting the teeth, for example osseous surgery including flap entry and closure or mucogingivoplastic surgery.**
 - ◆ Covered once per Quadrant every three years.
- **Full mouth debridement**
 - ◆ Covered once every three years.
- **Gingivectomy**
 - ◆ Covered once per Quadrant every three years.
- **Gingivoplasty**
 - ◆ Covered once per Quadrant every three years.
- **Nonsurgical periodontal scaling and root planing**
 - ◆ Covered for children 13 years old and older.
 - ◆ Covered once per Quadrant every two years.
- **Limited occlusal adjustments**
 - ◆ Covered for eight teeth or fewer.

Pediatric Endodontics

Covered at 70%

Endodontic services focus on the insides of teeth. These services work to save damaged or decayed teeth by repairing or replacing the soft inner tissue, called the pulp. Endodontics also help maintain the health of the roots of your teeth and the “canals” they run through. We pay 70 percent of the allowable expense for these services after you pay your Deductible.

- **Procedures for pulpal and root canal treatment**
 - ◆ Covered for anterior, bicuspid, and molar teeth.
- **Pulp exposure treatment**
- **Therapeutic pulpotomy**
 - ◆ Covered for Primary and Permanent Teeth.
- **Pulpal debridement**
 - ◆ Covered for Primary and Permanent Teeth.
- **Apicoectomy and retrograde filling**
 - ◆ Covered for anterior (front) teeth.
- **Apexification**
 - ◆ Covered for apical closures of anterior Permanent Teeth.
- **Procedures to prepare canal**
 - ◆ Removal of post, pin, old root canal filling material.
- **Treatment with resorbable material**
 - ◆ Covered if the entire root is present at treatment.

Covered Dental Benefits

➤ **Direct pulp capping**

- ◆ Covered as part of a restoration, not covered as a separate treatment.

These endodontic services are not covered

- Internal bleaching of teeth.
- Indirect pulp capping.

Pediatric Prosthodontics

Covered at 50%

Prosthodontics involves making and fitting artificial removable teeth, also known as dentures. Payment for dentures is based on the date they are put in your child's mouth — called the Seat Date. If the Seat Date falls on any day before or after you are enrolled in the plan, the dentures will not be covered. We pay 50 percent of the allowable expense for these services after you pay your Deductible.

➤ **Fixed partial denture (bridges)**

- ◆ Covered once every seven years

➤ **Resin-based partial dentures**

- ◆ Covered once every three years.

➤ **Complete dentures**

- ◆ Covered for one complete upper and lower during the time your child is enrolled on this plan.

➤ **Replacement dentures**

- ◆ Covered for one replacement during the time your child is enrolled on this plan.
- ◆ Covered five years after original Seat Date.

➤ **Denture adjustments, repairs, relines, and rebase procedures**

- ◆ Covered once per arch every three years after the initial six-months from the Seat Date.

These prosthodontic services are not covered

- Crowns in conjunction with overdentures.
- Surgical placement or removal of implants.
- Attachments to implants.
- Implant maintenance procedures including:
 - ◆ Removing of prosthesis.
 - ◆ Cleaning of prosthesis and abutments.
 - ◆ Reinserting of prosthesis.
- Maintenance or cleaning of a prosthetic appliance.
- Personalized dentures.
- Duplicate dentures.
- Treatment for teeth that are broken or damaged while chewing or biting on anything other than food.

Covered Dental Benefits

Pediatric Accidental Injury

Covered at 100%

If your child falls off their bike and chips a tooth or gets hit in the face with a basketball and a Permanent Tooth is loose – that is an example of an Accidental Injury. We pay 100 percent of the allowable expense for these services, and you do not have to pay your Deductible before we pay.

➤ **Accidental Injury**

- ◆ 100 percent for covered services needed to treat accidental bodily injuries when done by an in-network Dentist.
- ◆ Services done by out-of-network Dentists will be covered up to our maximum allowable amount and you will pay for any remaining costs.
- ◆ Your child needs to be treated within 180 days after the accident.
- ◆ Treatment must meet generally accepted dental practices.

Pediatric Medically Necessary Orthodontia

Covered at 50%

More commonly called braces, orthodontic services work to position teeth to improve your child's bite or smile. Your plan only covers Medically Necessary orthodontia — services your child needs so they can use their mouth in a normal way. Under this plan, orthodontia is not covered for cosmetic reasons, like teeth straightening for a more attractive smile. We pay 50 percent of the allowable expense for these services, and you do not have to pay your Deductible before we pay.

NOTE: To be covered, most orthodontic services must be preauthorized before you start treatment and must be performed by a licensed Orthodontist. Your Orthodontist will submit a preauthorization to determine if your child's services are Medically Necessary. After treatment has been authorized, additional treatment including, but not limited to: re-cement, re-bond, or repair of a fixed retainer, may be covered without additional preauthorization.

- **Repositioning teeth and jaws so your child can use their mouth in a normal way**
- **Orthodontic records and exams**
 - ◆ Initial exam, periodic exam, comprehensive exam, detailed exam.
- **X-rays**
 - ◆ Intraoral, extraoral, diagnostic radiographs, panoramic.
- **Diagnostic photographs and casts (study models) or cephalometric films**
- **Re-cement, re-bond, or repair of a fixed retainer placed during preauthorized orthodontia treatment**

These orthodontic services are not covered

- Replacing or repair of removable orthodontic retainers, or orthodontic appliances.

Payment Information

- Orthodontia treatment that began before your child is enrolled in this plan will be prorated.
- If orthodontic treatment started while your child is enrolled, but enrollment stops during treatment, we only cover the service done while your child is enrolled.
- If you stop treatment before it is complete, your plan will not pay for any services if your child restarts treatment later.

Covered Dental Benefits

- Your plan will pay your orthodontist each month for the length of the treatment, but only if the treatment is Medically Necessary.

What is Medically Necessary orthodontia?

We use the Washington Modified Handicapping Labiolingual Deviation (HLD) Index Score to judge if your child's orthodontic services are Medically Necessary. If your child's case score is 25 or higher, treatment is covered. But even if their score is less than 25, we still review each file to see if treatment might be Medically Necessary.

Your child automatically qualifies for orthodontic services if:

- a) They have a cleft palate deformity. If the cleft palate cannot be seen on diagnostic casts, then you must ask a credentialed specialist to send us a letter proving that your child has a deformity with your preauthorization request.
- b) They have head or facial bone deformities (craniofacial anomalies) such as hemifacial microsomia, craniosynostosis syndromes, arthrogryposis or Marfan syndrome. You must ask a credentialed specialist to send us a letter proving that your child has a deformity with your preauthorization request.
- c) They have a serious overbite where lower teeth are causing severe damage to the roof of the mouth.
- d) Their bite does not line up (cross bite) and one or more of their teeth is causing severe damage to soft tissue in the mouth.
- e) They have an extreme overjet — either greater than 9mm or a reverse overjet greater than 3.5mm.
- f) They have had a traumatic facial/mouth injury caused by an accident, burn or disease. You must ask a credentialed specialist to send us a letter indicating that your child had a traumatic injury with your preauthorization request.

Covered Dental Benefits

Pediatric General Exclusions

22. Claims for dental services provided to anyone under this plan while they are active duty in the Armed Forces.
23. Any dental services completed before your child is enrolled in this plan.
24. Any dental services you get after your child is no longer enrolled in this plan.

Enrollment and Using Your Benefits

Enrollment Information

You have signed up for the Delta Dental Individual – Washington Kids Plan through Delta Dental of Washington (DDWA). DDWA manages all details of your enrollment. Please see below for information about enrollment for your family. If you have questions, please visit our website at www.DeltaDentalWA.com, or call us at 800-526-8323.

Who can be covered by this plan?

➤ **Service Area**

This plan may be purchased by people who live in Washington State. If your child needs care while travelling outside of Washington State they can still get benefits for covered services, including services received while in another state or country.

➤ **Children**

This plan covers children through age 18 who are Dependents of Washington State residents.

How to enroll

During the enrollment process you will be asked to select the month you would like your coverage to begin. You may enroll up to 2 months prior to the requested effective date. After your enrollment is complete, your coverage starts the first day of the month and continues through the end of the calendar year as shown on the Plan Overview Page. For more information, please see our website at www.DeltaDentalWA.com, or you can call us at 800-526-8323.

➤ **Other enrollment opportunities**

In specific situations, you can enroll, reinstate, or make changes to your plan. These situations are called qualifying events. If any of these things happen, you can enroll or make changes to your plan:

- You add to your family.
 - You have a baby.
 - You adopt a child.
 - You foster a child.
- There is a change in your status or that of your family.
 - You get married or start a domestic partnership.
 - You get divorced or end a domestic partnership.
 - You or your child moves in or out of the state.
 - Your child turns 19.
 - Your child no longer qualifies for their current plan.
 - Your child becomes a U.S. citizen.
- Other qualifying events.
 - You or your child's parent/guardian no longer get coverage through work.
 - You or your child's parent/guardian no longer get COBRA coverage.
 - You and your child now qualify for an Exchange tax credit (subsidy).
 - You and your child no longer qualify for an Exchange tax credit (subsidy).
 - Your child's coverage in an Exchange plan ends and the grace period for continuation of coverage has expired.

Enrollment and Using Your Benefits

- Your child's coverage ends for a plan offered through the Washington State Health Insurance Coverage Access Act.
- Your child's plan violated the rules of the plan.
- You or your child lost coverage because of mistakes made by health benefit exchange staff or the U.S. Department of Health and Human Services.
- You or your child is Native American, as defined by Section 4 of the Indian Health Care Improvement Act. Native American children can change health plans one time per month, without the need for a qualifying event.

Adding or removing children

You may request to add any eligible person to this policy by submitting an application. If the application is accepted, the newly-covered person will be added to your policy at the beginning of the next month. You will be charged for the added dependent effective the date they are added. This process does not apply to newborn and newly placed or adopted children; please see the "When you have a baby, adopt or foster a child" section for more information. You may only drop a dependent at renewal, or for one of the reasons described in the "Canceling your plan" section. If you are dropping a dependent at renewal, please notify us in writing prior to renewal.

➤ When you have a baby, adopt, or foster a child

- Your newborn baby is covered at birth. Adopted and fostered children are covered on their adoption date, at the time of placement, or the date when you become legally responsible for their support.
- Dental coverage for newborns will include coverage for congenital anomalies from the moment of birth. Additional Premium is required for your first baby, adopted or fostered child added to this plan. You can take up to 90 days to get your enrollment paperwork done and send in your first payment following their birth, adoption, placement, or when you become legally responsible for them. Your premium changes for the first three children you enroll in this Plan. If you enroll additional children your premium does not change. We encourage you to submit your paperwork as soon as possible to avoid delays in claims processing.
- Enrollment for newborns may be completed any time before their 4th birthday. If enrollment is not received in the timeframe described here, you have to wait to enroll them your renewal period.

➤ If your new spouse or domestic partner has kids

- Getting married or entering a domestic partnership is a qualifying event. That means you can enroll your new partner's children in your plan. The same is true if you get divorced or end a domestic partnership.
- New Dependents must be enrolled within 90 days of the qualifying event.

Making changes

Once your child is enrolled on this plan, there are a few times that enrollment may change. Here are some of those times.

➤ When your child turns 19

A Pediatric Member is a member who is under age 19. The Pediatric (Kids) Benefits are the benefits that are available to a Pediatric Member.

Canceling your plan

When you purchase or renew this Policy for your child, you are committing to keeping it until the end of the Calendar Year. To cancel your Policy before the end of the Calendar Year, you must send a written request

Enrollment and Using Your Benefits

prior to the requested date of termination. We will terminate your Policy at the end of the month in which we receive your written request. For more information, please see the “Notices” section below.

If you terminate your dental coverage prior to the end of the Calendar Year, we will refund any Premium paid for coverage after your termination date less any claims incurred after that termination date.

You can cancel your plan without penalty if:

- Your child dies.
 - You die. If that happens, this plan will end; however, coverage for anyone under this plan may be continued under a separate plan.
 - You or another parent or guardian enters full-time United States military service.
 - Your child starts coverage by a group plan offered through work or a public program. In that case, you can take them off this plan starting the first day of the month after they start their new plan. You will need to let us know right away. If you do not let us know, we will continue to bill you for this plan.
- You cannot cancel this plan if you move your child to a different individual plan.**

You need to tell us in writing within 30 days after one of these events happens. We will refund any unused part of your Premium.

We can cancel your plan before your Contract Term ends if:

- You do not pay your Premiums within your missed-payment grace period.
- You or your Dependent commit fraud (cheat or lie to get benefits) for this or any other plan.

When your plan ends

Your Dependents coverage for benefits stops on the date this plan ends. That date is the earliest of the following:

- If the Premium has not been paid, the plan ends on the last day of the month for which Premiums were paid.
- If you ask us to end the plan, the plan will end on the last day of the month you requested.
- If you tell us you do not want to renew this plan, it will end on the last day of the Contract Term.
- If you die this plan will end on the last day of the month of your death. Another adult can enroll your child under their plan.
- If someone covered under this plan dies, their coverage will end on the last day of the month of their death, but the plan will continue if there are other people covered by the plan.
- If you move out of Washington State, this plan will end on the last day of the Contract Term, including coverage for everyone on this plan.

Your Dentist and Our Networks

Your child’s Provider Network is: Delta Dental PPO plus Premier™.

You may choose any Dentist to provide services under this plan; however, if you choose a Dentist outside of the Delta Dental PPO plus Premier Network, your costs may be higher than if you were to choose a Delta Dental PPO plus Premier Dentist.

Our Networks

We have different Networks, or groups, that our Dentists join. Dentists who choose to not join one of our Networks are called Non-Participating Dentists. To get the most from your child’s benefits, we encourage you to see a Participating Dentist. These Dentists contract with us to provide services at discounted rates and file

Enrollment and Using Your Benefits

all claims paperwork for you. Dentists who are part of our Networks will not charge more than their approved fees and usually cost you less than a Non- Participating Dentist.

Non-Participating Dentists

If you prefer a Dentist that does not participate in the Delta Dental Networks, we will pay the benefits for covered services up to the Maximum Allowable Fee for Non-Participating Dentists, or the actual charge, whichever is less. Dentists that do not participate in a Delta Dental Network have not contracted with DDWA to charge established fees for covered services; DDWA has no control over the prices they charge you or their billing practices.

As a result, your out-of-pocket costs may be substantially higher if you use a Non-Participating Dentist than with a Delta Dental PPO plus Premier Dentist. You will be responsible for payment of any balance remaining after the DDWA benefit is paid.

Finding a Delta Dental Network Dentist

Visit www.DeltaDentalWA.com and use our Find a Dentist tool. Remember to select the Delta Dental PPO plus Premier Network.

Our online directory is easy to use anytime, at home or on your smartphone. You can search based on preferences that matter to you, including Dentist name, specialty, location and language. You can even see endorsements from other Delta Dental patients for categories including extended office hours, friendly staff, kid-friendly and if they help ease anxiety.

You can also call us at 800-526-8323 for assistance finding a Network Dentist.

Estimating your costs

Your Dentist can ask us for an estimate of how much we will cover for your family's dental work before the treatment is done. For example, if your child visits the Dentist for a routine cleaning and the Dentist determines that they have a cracked tooth and needs a crown, you may want to know how much it will cost. Ask your Dentist to send us a treatment plan, along with x-rays. After we look over the plan, we will send you and your Dentist an estimate for how much we will pay and what your out-of-pocket costs might be. It usually takes 15 days after we get your Dentist's request for us to make our estimate. We also have a tool on our website that can help you get an idea about how much your dental work will cost. You can use that at www.DeltaDentalWA.com, or you can call us at 800-526-8323.

Premiums and Renewal

Rates and financial obligations

The monthly Premium payable during this Contract Term is shown on your Plan Overview. Payment must be made before your coverage starts and prior to each month following.

Missed payments

If you miss a payment, we will put a hold on paying your claims starting on the first day of the month after your missed payment. Payment for your claims will stay on hold until your account is paid. After 30 days, we may end this plan, and anyone covered under this plan may lose coverage.

Renewal

This Policy is valid starting with the Contract's effective date as shown on your Plan Overview and ending at the end of the Calendar Year. After that, your Policy will automatically renew at the beginning of the next

Enrollment and Using Your Benefits

Calendar Year, also known as the Renewal Date, if any Dependent covered under this Policy remains eligible, and if Premiums are paid according to this Policy. You will receive a notice from us before the Renewal Date with instructions on how to let us know if you do not want to renew your plan. You must contact us to stop your automatic renewal; otherwise, you will be renewed for an additional 12 months.

DDWA may change the rates under this Policy on this Policy's Renewal Date. DDWA will send you written notice of a rate change at least 30 days before the Renewal Date. However, if we will be increasing your rate 25 percent or more DDWA will send you written notice of the new rate at least 60 days before the Renewal Date.

Legislative surcharge clause

If a government unit imposes a new tax or assessment or increases the rate of a current tax or assessment that affects any of your payments to DDWA, then we are authorized to increase your monthly Premium by the amount of the new tax, assessment or increase.

Plan Details

Plan Overview

Your Plan Overview is part of this Policy. It contains details about your plan, like the terms of the Policy, your maximums and our reimbursement amount for your benefits. Please read over the Plan Overview carefully to fully understand your plan.

Benefit Period

Your plan is designed around a Benefit Period – the time period that your Limitations, Deductible, and maximums refer to. The Benefit Period starts when your Policy starts and goes to the end of the Calendar Year. The specific Benefit Period for your plan is shown on your Plan Overview.

Deductible

This plan has an amount that you must pay directly to your Dentist before we will pay toward covered services. The amount of your Deductible for you and your children is shown on your Plan Overview. The Deductible does not apply to Diagnostic Services, Preventive Services, Medically Necessary Orthodontia (Pediatric Members only), or services due to an Accidental Injury.

Waiting Period

There is no waiting period under this Policy.

Plan Maximum

There is no annual Plan Maximum for covered Pediatric (Kids) Benefits under this Policy.

Out-of-Pocket Maximum

The Out-of-Pocket Maximum only applies to members receiving Pediatric (Kids) Benefits. The Out-of-Pocket Maximum for Pediatric Members is shown on your Plan Overview. This is the most you will pay for pediatric covered dental services under this plan during each Benefit Period. Once you have met your Out-of-Pocket Maximum, covered services provided by a Delta Dental PPO plus Premier Dentist are paid at 100 percent of the allowable expense, for the remainder of the Benefit Period.

Enrollment and Using Your Benefits

The Out-of-Pocket Maximum only applies to covered procedures performed by a Delta Dental PPO plus Premier Dentist. Services performed by a Non-Participating Dentist do not accrue towards the Out-of-Pocket Maximum and are not limited by the Out-of-Pocket Maximum.

When We Pay

DDWA pays benefits for a covered service when the service is complete. Removable full and partial dentures are considered completed when they are placed in a patient's mouth. Crowns are considered completed when they are cemented. Root canals are completed on the date the canals are permanently filled. Please see the "Pediatric Medically Necessary Orthodontia" section for more information regarding payments for orthodontia.

Time Limitations on Procedures

When we pay for a procedure that has a time limitation, the next time we will cover that procedure on that tooth or teeth will be after the time period has passed from the date the service was completed. For example, "comprehensive series x-rays covered once every five years", means comprehensive series x-rays are covered once every five years from the date the x-rays were previously taken.

Important Details

Sending Claims

In order for us to pay for your Dentist bills, you or your child's Dentist have to send us a claim. It is a lot like a bill — from your child's Dentist to us. Claims must be submitted to us within 180 days after your child's dental visit.

Usually, your Dentist will submit claims for you. Sometimes it will be up to you to make sure we get your claim.

We accept all American Dental Association-approved claim forms. Your Dentist can download one from our website, www.DeltaDentalWA.com, or they can call us at 800-526-8323 to have one faxed or mailed.

We process all claims within 30 days, unless special circumstances require more time. Once we have processed your claim, we will send you a notice to tell you what we paid - called an Explanation of Benefits (EOB). The EOB will tell you what we have paid on your claim. If we deny a claim because we need more information, the EOB will show what additional information we need.

If your claim is denied

When we deny any treatment on your claim, it means we have not paid for that treatment. When that happens, we will send you an EOB with the reason we denied your treatment. If your claim is denied or modified, you may file an appeal to ask us to reconsider our decision. See the "Appeals" section for more information.

How to file a claim yourself

If you get care from a Dentist who does not participate in a Delta Dental Network, you may need to file a claim yourself. You can download a claim form from our website, www.DeltaDentalWA.com. If you need help obtaining or completing a claim form, either ask your Dentist or call us at 800-526-8323.

Paying out-of-pocket costs

If you still owe your child's Dentist after we pay our share, your child's Dentist will send a bill to you directly.

Preauthorization

Preauthorization for Pediatric (Kids) Benefits

Most of the Medically Necessary orthodontic services your child gets must be approved by us before you have them done. This is called preauthorization. **If you do not get a preauthorization for these services before treatment, your plan will not pay for them.** Please see the "Pediatric Medically Necessary Orthodontia" section for more information.

It is always a good idea to ask your Dentist to check with us to see if a dental service needs preauthorization.

Requesting a Preauthorization

If your Dentist decides that your child needs a treatment that needs preauthorization, they need to send us a plan for that treatment and ask us for a preauthorization. After we get the treatment plan, we will let you and your Dentist know if we approve the plan and if we agree to pay for it. We cannot guarantee payment if your Dentist changes the treatment plan, performs other services, or if your eligibility changes.

Once we get all the information we need from your Dentist, it usually takes 15 days to get a preauthorization.

Sometimes we need more information from your Dentist. While we are waiting for the information, your preauthorization goes on hold, or into a pending status. If we do not get all the information we need within 45 days, your Dentist will have to start the process over again.

Important Details

Referrals

A referral is different from a preauthorization. If your general Dentist suggests you visit a specialist for orthodontia treatment, this is a referral. If you visit a specialist for care, please make sure they obtain a preauthorization before treatment is performed, as this is still required.

Emergency Treatment and Preauthorization

Immediate treatment consistent with this plan is allowed without preauthorization in emergency situations.

Examples of dental emergencies are:

- Your child is in severe pain.
- Your child's life or health is threatened.
- Your child might not be able to use their mouth in a normal way again.

Urgent Preauthorization

If your Dentist determines that there is an urgent need to provide treatment quickly, they may ask for an urgent preauthorization request. Once we get all the information we need, we will let your Dentist know within 72 hours if the benefit is covered.

Appeals

How to file an appeal

An appeal is when you ask us to reconsider a claim or a preauthorization request that has been denied or modified. You can ask us to reconsider whenever you do not agree with our decision. Your Explanation of Benefits letter will have instructions on how to file an appeal.

Your appeals request must include:

- Your name.
- The name and ID number of the patient.
- The claim number (from the Explanation of Benefits).
- Your Dentist's name.

You can also send any documents or other information that supports your appeal.

You, your child, or an authorized representative can submit appeals. An authorized representative is someone you have chosen to make your appeal for you. You must send us a letter signed by you letting us know that you want us to allow this person to speak for your child. **If we do not get a signed letter from you for an appeal submitted by someone else, your appeal will be closed.**

Please send your appeal requests to:

Delta Dental of Washington
P.O. Box 75983
Seattle, WA 98175-0983

Or, call us at: 800-526-8323

Important Details

Appeals have two parts: informal and formal reviews.

Step 1: Informal Review

If you disagree with our decision, ask us for an informal review. You have 180 days from the date your claim was processed to ask for this.

We will review your request and make a decision within 14 days after we get it. We will send you written notice of our decision as soon as it is complete. If our decision is not in your favor, we will tell you what else you can do to appeal our decision. You can ask us to send you copies of the information we used to make our decision.

Sometimes we may need more than 14 days to make a decision. If that happens, we will send you written notice that we need another 16 days. We will also tell you what decision we expect to make and why we need the extra time.

If a delay in the appeals process would jeopardize your family's life or health, we will fast-track your appeal to get you an answer within 72 hours.

Step 2: Formal review

If you disagree with our decision after the informal review, you can ask for a formal review for your appeal. Formal reviews go to our appeals committee.

You need to ask for a formal review within 90 days of the date of our informal review determination letter.

The appeals committee will review your request and make a decision within 14 days after we get it. We will send you written notice of our decision. You can ask us to send you copies of the information we used to make our decision.

Sometimes we may need more than 14 days to make a decision. If that happens, we will send you written notice that we need another 16 days. We will tell you when we expect to have a decision and why we need the extra time.

Making the appeals process fair

Different people review your case during each step of the appeal process. That means that the people who reviewed your claim the first time are not the same people who look at it during the informal review. If you have a formal review of your appeal, that is done by people who were not involved with the previous reviews. We designed our systems in that way to show you we are giving each appeal a fair hearing.

Other actions you can take

If you disagree with the final decision made by the appeals committee there are still actions you can take. For example, you may contact the Office of the Insurance Commissioner. This is the state agency that oversees Washington State insurance companies and producers. You can contact them at:

Washington State Office of the Insurance Commissioner
P.O. Box 40256
Olympia, WA 98504-0256

Phone: 800-562-6900 or 360-725-7080

Delta Dental of Washington's Responsibility

We are responsible for providing administrative services including paying claims for services properly received under this Policy.

Compliance with Laws and Regulations

This Policy complies with all pertinent federal and state laws and regulations, including (but not limited to) the health care privacy and disclosure provisions of the Health Insurance Portability and Accountability Act of 1996 (HIPAA). If any part of this Policy is not in compliance with any pertinent federal or state law or regulation, then DDWA will revise the Policy to correct the noncompliance.

Rights of Recovery (Subrogation)

If we pay benefits under this Policy, and you are paid by someone else for the same procedures, we have the right to recover what we paid from the excess received by you, after full compensation for your loss is received. Any legal fees for recovery will be prorated between the parties based on the percentage of the recovery received. You have to sign and deliver to us any documents relating to the recovery that we reasonably request.

Governing Law

This Policy is issued and delivered in the State of Washington and obeys its laws and regulations. On the effective date of this Policy, any term, condition, or provision conflicting with Washington State laws and regulations applying to this Policy will automatically conform to the minimum requirements of such laws and regulations.

Important Details

Non-Waiver and Severability

If we do not use any remedy or right under this Policy, that does not affect our ability to use any remedy or right at any time in the future.

Entire Contract; Changes

The entire Contract between you and us consists of this Policy, which includes the Plan Overview, any and all endorsements or riders, and the application. This Policy may only be changed by DDWA for changes in state or federal law and may not be amended by the policyholder.

Nothing said by anyone can change or affect any part of this Policy.

Notice of Legal Action

You cannot bring legal action against us until you provide proof of loss and give us 60 days to review all the information. If we have denied payment for the loss, or waived the 60-day period, you can bring legal action sooner.

Coordination of Benefits

When your child has dental coverage under more than one plan, those plans work together to provide the benefit of that additional coverage. That is called coordination of benefits.

General Information

The rules regarding coordination of benefits are very detailed. The full information is contained below, but here is some general information that can help you get the most out of your plan.

- If someone covered under your plan has more than one plan covering them, you should let both plans know so that they can coordinate benefits.
- The benefit of having coverage under more than one plan is to help you with payment of your out-of-pocket costs. Each dental benefit plan does not pay less when you have more than one plan. Your Dentist does not get more money.
- Based on the rules set out by the State of Washington, the plans determine which plan pays first, and which pays second.
- The plan that pays first will pay as if there is no other plan. The plan who pays second will pay any amounts that the other plan did not pay, up to the amount they would pay if they were the first plan.
- Once your claim is paid in full, including all of your out-of-pocket cost, if the plan who pays second does not need to pay as much as they would have if they were first, they will set aside that amount of credit for your use later. This is called COB Savings.

If you have any questions about payment of claims when you have more than one plan, contact us or the other plan directly and ask to speak with a coordination of benefits specialist.

Full Coordination of Benefits Information

Coordination of this Policy's Benefits with Other Benefits: The coordination of benefits (COB) provision applies when you or your Dependent has dental coverage under more than one Plan. Plan is defined below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits according to its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100 percent of the total Allowable Expense.

Definitions: For the purpose of this section, the following definitions shall apply:

- A. A "Plan" is any of the following that provides benefits or services for dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts. However, if COB rules do not apply to all contracts, or to all benefits in the same contract, the contract or benefit to which COB does not apply is treated as a separate Plan.
- (1) Plan includes: group, individual or blanket disability contracts, and group or individual contracts issued by health care service contractors or health maintenance organizations (HMO), Closed Panel Plans or other forms of group coverage; medical care components of long-term care contracts, such as skilled nursing care; and Medicare or any other federal governmental Plan, as permitted by law.
 - (2) Plan does not include: hospital indemnity or fixed payment coverage or other fixed indemnity or fixed payment coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident and similar coverage that cover students for accidents only, including athletic injuries, either on a twenty-four-hour basis or on a "to and from

Important Details

school" basis; benefits for nonmedical components of long-term care policies; automobile insurance policies required by statute to provide medical benefits; Medicare supplement policies; A state plan under Medicaid; A governmental plan, which, by law, provides benefits that are in excess of those of any private insurance plan or other nongovernmental plan; benefits provided as part of a direct agreement with a direct patient-Dentist primary care practice as defined by law or coverage under other federal governmental Plans, unless permitted by law.

Each contract for coverage under the above points is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

- B. "This Plan" means, in a COB provision, the part of the contract providing the dental benefits to which the COB provision applies, and which may be reduced because of the benefits of other Plans. Any other part of the contract providing dental benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

- C. The order of benefit determination rules determine whether This Plan is a Primary Plan or Secondary Plan when you have dental coverage under more than one Plan.

When this Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This Plan is secondary, it determines its benefits after those of another Plan and must make payment in an amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim are coordinated up to 100 percent of the total Allowable Expense for that claim. This means that when This Plan is secondary, it must pay the amount which, when combined with what the Primary Plan paid, does not exceed 100 percent of the Allowable Expense. In addition, if This Plan is secondary, it must calculate its savings (its amount paid subtracted from the amount it would have paid had it been the Primary Plan) and record these savings as a benefit reserve for you or your Dependent. This reserve must be used to pay any expenses during that Calendar Year, whether or not they are an Allowable Expense under This Plan. If This Plan is secondary, it will not be required to pay an amount in excess of its maximum benefit plus any accrued savings.

- D. "Allowable Expense" is health care expense, including Deductibles, coinsurance or copayments, which is covered at least in part by any plan covering you or your Dependent. When coordinating benefits as the secondary plan, DDWA must pay an amount which, together with the payment made by the primary plan, cannot be less than the same allowable expense as the secondary plan would have paid if it was the primary plan. In no event will DDWA be required to pay an amount in excess of its maximum benefit plus accrued savings. When Medicare, Part A, Part B, Part C, or Part D is primary, Medicare's allowable amount is the allowable expense. An expense or a portion of an expense that is not covered by any of the plans is not an allowable expense.

The following are examples of expenses that are not Allowable Expenses:

- (1) If you or your Dependent is covered by two or more Plans that compute their benefit payments on the basis of a maximum allowable amount, relative value schedule reimbursement method or other similar reimbursement method, any amount charged by the Dentist in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.
 - (2) If you or your Dependent is covered by two or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of This Plan's negotiated fee is not an Allowable Expense.
- E. "Closed Panel Plan" is a Plan that provides dental benefits to you or your Dependent in the form of services through a panel of Dentists who are primarily employed by the Plan, and that excludes coverage for services provided by other Dentists, except in cases of emergency or referral by a panel member.

Important Details

- F. “Custodial Parent” is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one-half of the Calendar Year without regard to any temporary visitation.

Order of Benefit Determination Rules: When you or your Dependent is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

- A. The Primary Plan must pay or provide its benefits as if the Secondary Plan or Plans did not exist.
- B. A Plan that does not contain a coordination of benefits provision that is consistent with applicable regulation is always primary unless the provisions of both Plans state that the complying Plan is primary, except coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage is excess to any other parts of the Plan provided by the contract holder.
- C. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.
- D. Each Plan determines its order of benefits using the first of the following rules that apply:
 - (1) “Non-Dependent or Dependent:” The Plan that covers your child other than as a Dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers your child as a Dependent is the Secondary Plan. However, if you or your child are a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering your child as a Dependent, and primary to the Plan covering your child as other than a Dependent (e.g., a retired employee), then the order of benefits between the two Plans is reversed so that the Plan covering your child as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the other Plan is the Primary Plan.
 - (2) “Dependent Child Covered Under More Than One Plan:” Unless there is a court decree stating otherwise, when a Dependent child is covered by more than one Plan the order of benefits is determined as follows:
 - (a) For a Dependent child whose parents are married or are living together, whether or not they have ever been married:
 - (i) The Plan of the parent whose birthday falls earlier in the Calendar Year is the Primary Plan; or
 - (ii) If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.
 - (b) For a Dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - (i) If a court decree states that one of the parents is responsible for the Dependent child's dental expenses or dental coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to claims determination periods commencing after the Plan is given notice of the court decree;
 - (ii) If a court decree states one parent is to assume primary financial responsibility for the Dependent child but does not mention responsibility for dental expenses, the Plan of the parent assuming financial responsibility is primary;
 - (iii) If a court decree states that both parents are responsible for the Dependent child's dental expenses or dental coverage, the provisions of D.2.(a) above (for Dependent child(ren) whose parents are married or are living together) determine the order of benefits;
 - (iv) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the dental expenses or dental coverage of the Dependent child, the provisions of D.2.(a) above (for Dependent child(ren) whose parents are married or are living together) determine the order of benefits; or

Important Details

- (v) If there is no court decree allocating responsibility for the Dependent child's dental expenses or dental coverage, the order of benefits for the child is as follows:
 - (a) The Plan covering the Custodial Parent, first;
 - (b) The Plan covering the spouse of the Custodial Parent, second;
 - (c) The Plan covering the noncustodial Parent, third; and then
 - (d) The Plan covering the spouse of the noncustodial Parent, last
- (c) For a Dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of the points above (D.2.(a) for Dependent child(ren) whose parents are married or are living together or D.2.(b) for Dependent child(ren) whose parents are divorced or separated or not living together) determine the order of benefits as if those individuals were the parents of the child.
- (3) "Active Employee or Retired or Laid-off Employee:" The Plan that covers you or your child as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering you or your child as a retired or laid-off employee is the Secondary Plan. The same would hold true if your child is a Dependent of an active employee and your child is a Dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under the Non-Dependent or Dependent provision above can determine the order of benefits.
- (4) "COBRA or State Continuation Coverage:" If your Dependent's coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering you or your Dependent as an employee, member, subscriber or retiree or covering your child as a Dependent of an employee, member, subscriber or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under the Non-Dependent or Dependent provision above can determine the order of benefits.
- (5) "Longer or Shorter Length of Coverage:" The Plan that covered you or your Dependent as an employee, member, policyholder, subscriber or retiree longer is the Primary Plan and the Plan that covered you or your Dependent the shorter period of time is the Secondary Plan.
- E. If the preceding rules do not determine the order of benefits, the Allowable Expenses must be shared equally between the Plans meeting the definition of Plan. In addition, This Plan will not pay more than it would have paid had it been the Primary Plan.

Effect on the Benefits of This Plan

When this Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a claim determination period are not more than the Total Allowable Expenses. In determining the amount to be paid for any claim, the Secondary Plan must make payment in an amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim do not exceed 100 percent of the total Allowable Expense for that claim. Total Allowable Expense is the Allowable Expense of the Primary Plan or the Secondary Plan up to this plan's allowable expense. In addition, the Secondary Plan must credit to its Plan Deductible any amounts it would have credited to its Deductible in the absence of other dental coverage.

How We Pay Claims When We Are Secondary: When we are knowingly the Secondary Plan, we will make payment promptly after receiving payment information from the Primary Plan. The Primary Plan, and we as

Important Details

the Secondary Plan, may ask you and/or your Dentist for information in order to make payment. To expedite payment, be sure that you and/or your Dentist supply the information in a timely manner.

If the Primary Plan fails to pay within 60 calendar days of receiving all necessary information from you and your Dentist, you and/or your Dentist may submit your claim for us to make payment as if we were your Primary Plan. In such situations, we are required to pay claims within 30 calendar days of receiving your claim and the notice that your Primary Plan has not paid. This provision does not apply if Medicare is the Primary Plan. We may recover from the Primary Plan any excess amount paid under the "right of recovery" provision in our contract.

If there is a difference between the amounts the plans allow, we will base our payment on the higher amount. However, if the Primary Plan has a contract with the Dentist, our combined payments will not be more than the amount called for in our contract or the amount called for in the contract of the Primary Plan, whichever is higher. Health maintenance organizations (HMOs) and health care service contractors usually have contracts with their Dentists as do some other plans.

We will determine our payment by subtracting the amount paid by the Primary Plan from the amount we would have paid if we had been primary. We must make payment in an amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all plans for the claim does not exceed one hundred percent of the total allowable expense (the highest of the amounts allowed under each plan involved) for your claim. If your Dentist negotiates reimbursement amounts with the plan(s) for the service provided, your Dentist may not bill you for any excess amounts once they have received payment for the highest of the negotiated amounts. When our Deductible is fully credited, we will place any remaining amounts in a savings account to cover future claims which might not otherwise have been paid.

Right to Receive and Release Needed Information

Certain facts about dental coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. DDWA may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering you. DDWA need not tell, or get the consent of, any person to do this. To claim benefits under This Plan you must give DDWA any facts it needs to apply those rules and determine benefits payable.

Facility of Payment

If payments that should have been made under This Plan are made by another Plan, DDWA has the right, at its discretion, to remit to the other Plan the amount DDWA determines appropriate to satisfy the intent of this provision. The amounts paid to the other Plan are considered benefits paid under This Plan. To the extent of such payments, DDWA is fully discharged from liability under This Plan.

Right of Recovery

DDWA has the right to recover excess payment whenever it has paid Allowable Expenses in excess of the maximum amount of payment necessary to satisfy the intent of this provision. DDWA may recover excess payment from any person to whom or for whom payment was made or any other company or Plans.

Notice to Covered Persons

If you are covered by more than one health benefit Plan, and you do not know which is your Primary Plan, you or your Dentist should contact any one of the health Plans to verify which Plan is primary. The health Plan you contact is responsible for working with the other health Plan to determine which is primary and will let you know within 30 calendar days.

CAUTION: All health Plans have timely claim filing requirements. If you, or your Dentist, fail to submit your claim to a secondary health Plan within the Plan's claim filing time limit, the Plan can deny the claim. If you

experience delays in the processing of your claim by the primary health Plan, you or your Dentist will need to submit your claim to the secondary health Plan within its claim filing time limit to prevent a denial of the claim.

To avoid delays in claims processing, if you are covered by more than one Plan you should promptly report to your Dentists and Plans any changes in your child's coverage.

Definitions

These are some of the terms we use in this Policy that you should understand. If you are not sure what they mean or how they impact your plan, please call our customer service team at 800-526-8323.

Accidental Injury

An injury or damage caused as a direct result of an accidental bodily injury. A bodily injury does not include teeth broken or damaged during the act of chewing or biting on foreign objects.

Benefit Period

The period of time from which your Policy starts and continues until the end of the Calendar Year as documented on the Plan Overview.

Calendar Year

January through December.

Caries

A disease process initiated by bacterially produced acids on the tooth surface. Also referred to as “cavity, cavities or decay.”

Contract

See “Policy” below.

Contract Term

When you enroll in this dental plan, you have entered into a Contract. This means that you are responsible to pay your Premiums and follow the rules of the Policy. It means that we’re responsible to pay for covered services listed in your Policy at the reimbursement levels listed on your Plan Overview. And we have to follow the plan’s rules, too. The Plan Overview, Application and this Policy are our Contract.

Covered Dental Benefit

Dental services that are covered under this Policy, subject to the Limitations set forth.

Deductible

Every year, before your plan begins paying for your family’s dental services, you have to meet your plan Deductible. That is a set cost you need to pay. Your yearly Deductible is shown on your Plan Overview. The amount of money that you must pay toward the cost of dental treatment before the benefits of the plan go into effect. The Deductible applies to a Benefit Period.

Dentist

A licensed Dentist legally authorized to practice dentistry at the time and in the place services are performed. This Policy provides for covered services only if those services are performed by or under direction of a licensed Dentist or other Licensed Professional operating within scope of their license.

Dependent

Your children, up to the age of 19. Children include stepchildren, adopted children, foster children and any children of yours, your spouse, or your domestic partner.

Exclusions

Dental services or procedures your plan does not cover.

Important Details

Explanation of Benefits (EOB)

Once we process a claim from either you or your child's Dentist, we will send you an Explanation of Benefits. These are not bills. They explain what your child's Dentist's charges are, what we have paid to your child's Dentist, and what you might owe out-of-pocket.

Filed Fee

The approved fee accepted by DDWA for a specific dental procedure performed by a Participating Dentist or Licensed Professional.

Licensed Professional

An individual legally authorized to perform services as defined in their license. Licensed Professional includes, but is not limited to a dentist, hygienist, and radiology technician. Benefits under this Policy will not be denied for any health care service performed by a registered nurse or nurse practitioner licensed to practice under chapter 18.88 RCW, if first, the service performed was within the lawful scope of such nurse's license, and second, this Policy would have provided benefits if such service had been performed by a Doctor of Medicine licensed to practice under chapter 18.71 RCW.

Limitations

Your plan will pay for certain dental services - within limits. These limits are often referred to as Limitations. For example, in the case of panoramic x-rays, your plan limits them to once every three years. If your family needs them more than once every three years, you will have to pay for them out-of-pocket.

Maximum Allowable Fee

The maximum dollar amount that will be allowed toward the payment or reimbursement for any service provided for a Covered Dental Benefit.

Plan Maximum

The total your plan will pay each Benefit Period for dental services.

Medically Necessary

A dental procedure which as determined by the standards of generally accepted dental practice and DDWA is to be necessary. Please see the "Pediatric Medically Necessary Orthodontia" section for more information.

Molars

Teeth in the back of your mouth.

Network

A group of Dentists that contractually agree to provide treatment according to administrative guidelines for a certain plan, including limits to the fees they will accept as payment in full. Dentists in the Delta Dental PPO plus Premier Network have agreed to participate in this plan. They have also agreed to provide treatment according to certain administrative guidelines and to accept their contracted fees as payment in full. Different plans are served by distinct Dentist Networks. Dentists who are part of our Networks will usually cost you less than out-of-network Dentists.

Non-Participating Dentist

A licensed Dentist who has not agreed to render services and receive payment in accordance with the terms and conditions of a written Delta Dental provider agreement.

Important Details

Out-of-Pocket Maximum

The maximum cost per enrolled child that you will be responsible for paying if you see a Delta Dental PPO plus Premier Dentist.

Participating Dentist

A licensed Dentist who has agreed to render services and receive payment in accordance with the terms and conditions of a written Delta Dental provider agreement.

Pediatric Member/Pediatric (Kids) Benefits

A Pediatric Member is a member who is under age 19. The Pediatric (Kids) Benefits are the benefits that are available to a Pediatric Member. After your child turn 19, they will keep the Pediatric (Kids) Benefits until your next renewal, when they will move to the Adult Benefits.

Permanent Teeth

Adult teeth that come in after your baby teeth fall out.

Plan Overview

The summary of coverage, Deductible and co-insurance amounts, annual Out-of-Pocket Maximum, Premium, and Benefit Period of this Policy. The Plan Overview is incorporated into this Policy by this reference.

Pocket Depth

An internal measurement from the top of the gum tissue to its attachment on the root of a tooth.

Policy

This agreement between you and DDWA, including all attachments or amendments thereof. This Policy constitutes the entire Contract between the parties and supersedes any prior agreement or understanding between the parties.

Premium

This is the amount you pay each month to be enrolled in this plan. Premiums are due on the first of the month.

Primary Teeth

The original baby teeth that come in first. Your Primary Teeth are temporary and fall out.

Quadrants

Dentists think of your mouth as having four sections, called Quadrants: the top left, top right, bottom left, and bottom right sides of your mouth.

Renewal Date

The beginning of the Calendar Year following the current enrollment year.

Seat Date

The date a crown, veneer, inlay, or onlay is cemented into place on the tooth.

Second Opinion

A Second Opinion is when you request another Dentist to review the treatment diagnosis or treatment plan of other Dentist before treatment is done.
