

Bundle Dental + Vision and everyone wins.

Dental and vision coverage have become “must-have” benefits for employers to offer their employees. With low premiums and simple plan designs, it makes sense to bundle these together for a valuable offering.

Five ways your business can benefit from bundled dental and vision.

1.

Low Cost, High Value

With low annual premium: Vision is a tangible benefit that sees among the highest voluntary enrollment and utilization. Higher plan engagement leads to more health care touch points, giving your employees ways to reduce medical spend.

2.

Increase Employee Retention

DeltaVision gives your business continuity between your dental and vision coverage. That gives you one less thing to worry about, and your employees a more seamless benefit experience.

3.

99% Satisfaction – VSP® members report 99% Satisfaction

With the added plan value of DeltaVision, your employees will enjoy the greatest savings in the industry. With our two plan options, you can be confident knowing your employees have the industry leading DeltaVision at a competitive price.

4.

More than 21 million Americans suffer from some type of functional vision problem

With as many as more than 21 million Americans suffering from some type of functional vision problem, maintaining your vision health is now more important than ever.¹

5.

Simplified Plan Administration

With a unique bundled solution, your business will see value in administrative efficiencies and unique plan offerings.
